VOLUME XX—NUMBER 27

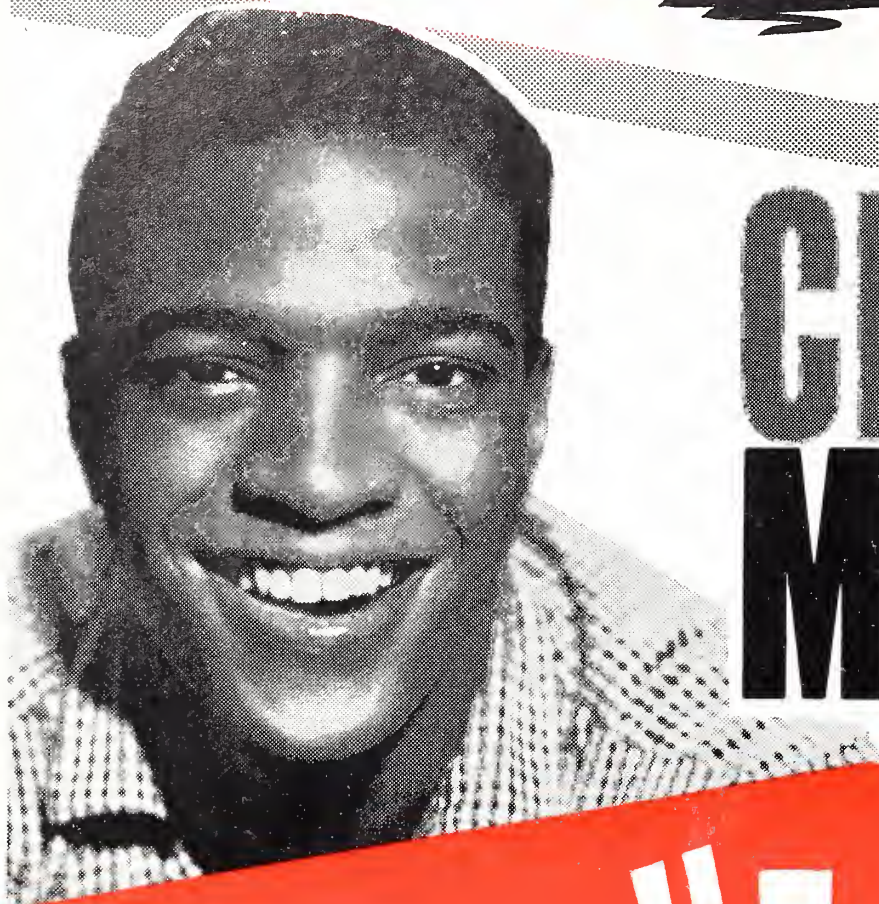

MARCH 21, 1959

"Chalk on the sidewalk . . . writin' on the wall . . . everybody knows it . . . I love Paul . . ." sings Annette to her dream man, "Tall Paul." Annette and "Tall Paul" have skyrocketed to Hitsville. Annette is today one of the hottest new names in show business—records, TV and motion pictures. She has a new album of her own on the new Vista label. She's booked for a week of PA's throughout the east during her Easter vacation; and she makes her movie debut in the new Walt Disney production, "The Shaggy Dog." Matter of fact, everything's going to the dogs—Annette's newest single, out this week on the Vista label, is "Jo-Jo, The Dog Faced Boy!"

"Only those records best suited for commercial use are reviewed by THE CASH BOX"

The Cash Box Disk of the Week

"I NEED YOUR LOVE TONIGHT" (2:04)
[Gladys ASCAP—Wayne, Reichner]

"A FOOL SUCH AS I" (2:36) [Leeds ASCAP—Trader]
ELVIS PRESLEY (RCA Victor 7506)

● The amazing hit train, conducted by Elvis Presley, rolls along in high gear with the addition of this new Victor release. It's a newie-oldie combination that the 'Pres' knocks out with his distinctive teen authority. The newcomer is "I Need Your Love Tonight", a sensational romantic sizzler while the revived opus is "A Fool Such As I" the captivating tear-jerker dressed up in subdued rockin' fashion. Once again the Jordanares lend a great two-sided assist. Get on board!

"THAT'S WHY (I LOVE YOU SO)" (2:05)
[Pearl BMI—Gordy, Jr., Carlo]

"LOVE IS ALL" (2:07) [Figure BMI—Lehmann, Lebowsky]
JACKIE WILSON (Brunswick 55121)

● The wonderful excitement that Jackie Wilson generated with his "Lonely Teardrops" comes thru on his latest for Brunswick, "That's Why (I Love You So)". A fabulous vocal and instrumental backdrop supplied by the Dick Jacob crew blends in ultra-commercial style with Jackie's great piping. Deck is already on the national charts. Watch it zoom! Under end, Wilson does an about-face smoothly caressing an inviting rock-a-ballad from his "Lonely Teardrops" LP.

"THE WALLS HAVE EARS" (2:14)
[Shapiro-Bernstein ASCAP—Gordon]

"MY PROMISE" (2:30) [Egap BMI—Otis, Hamilton]
PATTI PAGE (Mercury 71428)

● Patti Page's latest twosome for Mercury couples a cha cha with a waltzer and either end can latch onto a top rung on the sales ladder. The lark's dulcet tones come across with telling effect on both portions. On one side "The Walls Have Ears", she slowly cha chas thru a tale of a broken love. On the other side she softly carves out the lilting, heartwarming, "My Promise". The orks of Vic Shoen, on the former, and Belford C. Hendricks, on the latter, tastefully support the thrush's winning vocal stints.

"VERY MUCH IN LOVE" (2:45)

[Johnny Mathis ASCAP—Stillman, Ellis]

"SOMEONE" (2:53) [Cathryl ASCAP—Temyson]
JOHNNY MATHIS (Columbia 41355)

● Johnny Mathis, whose nite club and wax stature continues to grow by leaps and bounds, turns in another outstanding performance on this Columbia outing. "Very Much In Love" is the choice material and it ranks with the artist's best to date. "Someone", the warm and lovely coupler, is a perfect ballad companion. Pretty musical backdrop supplied by the Ray Ellis outfit.

"MEMORIES ARE MADE OF THIS" (2:10)
[Montclare BMI—Gilkyson, Dohr, Miller]

"MOCKIN' BIRD HILL" (2:31) [Southern ASCAP—Horton]
ROGER WILLIAMS (Kapp 265)

● Roger Williams, whose piano magic has produced a long, long chain of commercial platters, re-models another pair of oldies in hit contending style. Of more recent vintage is the upper end, "Memories Are Made Of This", the Dean Martin gold-disk wrapped up with a soft, Latin beat by Roger and the Marty Gold crew. They dip further into the evergreen dept. on "Mockin' Bird Hill" giving it an 'eighteenth century drawing room-minuet' treatment. Two listening treats.

B-B
(Cover 5931)

B "TRIP TO THE BANDSTAND" (2:31) [Quilted BMI—Cunningham] Recitation about an appearance on Dick Clark's Bandstand TV'er by the songster. The artist's dialogue is timed to a contagious middle-beat combo stint. Kids will find some humor.

B "ELECTRODE" (2:29) [Quilted BMI—Cunningham] All-instrumental featuring slick guitar stunts.

BETTY JOHNSON
(Atlantic 2019)

B+ "DOES YOUR HEART BEAT FOR ME?" (2:18) [Mills ASCAP—Parish, Morgan, Johnson] The thrush offers a strong beat turn for the evergreen, and is supported by a particularly effective wah-wah trumpet at certain stages. Here's a side that could click in a big way.

B+ "YOU AND ONLY YOU" (2:10) [Aldon BMI—Greenfield, Sedaka] A march-rock charmer is read in robust style by the songstress and ork-chorus accompaniment. Track has grow-on-you punch, so solid exposure could get disk on the lists. Potent two-sider.

SHAYE COGAN
(MGM 12771)

B+ "YOUNG AND IN LOVE" [Se-quence ASCAP—Drake, Frisch] Debut by the former Roulette songstress on MGM could get chart results. Tune is a sugar coated beat item that made the disk rounds last year, and Miss Cogan's reading captures the number's wistful nature, with the ork-chorus affectionate on the backing. Can click.

B "HALF AS MUCH" [Acuff-Rose BMI—Williams] The great Hank Williams' item receives a solid middle-beat date here. Strong commercial sound that could move.

LOUISE CARLYLE
(Tempus 1511)

B+ "SENTIMENTAL JOURNEY" [Morris ASCAP—Green, Brown, Homer] Ever-interesting rock treatment of the standby by the famed nitery thrush, who is mostly multi-tracked here. This bright tempo product may come around to getting a chart berth.

B "CANDY" [Leo Feist ASCAP—David, Whitney, Kramer] Good clicking percussive sounds starts-off this spicy swing version of the oldie.

RALPH MARGERIE
(Mercury 71424)

B+ "COMPULSION" (2:05) [Weiss & Barry BMI—Newman, Hagen] Exciting ork work by Margerie's Marlboro Men on the oft-cut kinetic jazz theme from the upcoming pic of the same name. With flick & TV jazz scoring the rage, stints like this can score.

B "WORDS OF LOVE" (2:31) [Bregman, Vocco & Conn ASCAP—Howard, Gallop] The ork and songsters settle down sweetly on the compelling romancer.

DAVID LADD
(Dot 15913)

B+ "THE SAD HORSE" (2:11) [Leo Feist ASCAP—Kent, Walton] Young Ladd, son of the famed actor, does an affectionate beat stint on this warm western-like tale about a horse, an item from a same-name film that features David. Could produce some activity.

B "CAN I CARRY YOUR BOOKS" (1:48) [Creative ASCAP—Kent, Walton] Engaging beat-bouncer on this cut. Sax sizzles at mid-way point.

JODIE SANDS
(Thor 101)

B+ "WHAT DOES IT MATTER" (2:06) [Aldon BMI—Martin, Kolber] Deck can easily carry Miss Sands back to a chart standing. The melodic wistful is strong, and the lark and rich ork-chorus give it an effective soft-beat rendition. Issue has'to be watched closely.

B "HOLD ME" (2:37) [Robbins ASCAP—Schuster, Little, Oppenheim] A fine teen recognition of the durable, with arrangement similar to above stint. Also bears attention.

MOE KOFFMAN
(Jubilee 5367)

B "SHEPHERD'S HOEDOWN" (2:38) [Benell BMI—Koffman] Flutist Koffman & Quartet, remembered for their "Swingin' Shepherd Blues" click, get a lively hoedown feel in this blend of rockabilly & jazz thoughts. Bright presentation that could move.

B "STROLL ALONG WITH THE BLUES" (2:25) [BMI Canada BMI—Cowell] Title has the scoring down pat. Easy-go session of deejay interest.

JOHNNY HOUSTON
(Event 4277)

B "PLAYBOY" (2:20) [Darleen BMI—Houston] Important rock-ballad sounds from Houston & back-drop on this end. Effort is rendered with effective deliberateness by the artist, while the percussionist in the combo comes-across with a great whip-lash sound. Bears watching.

C+ "SLICK CHICK" (2:10) [Darleen BMI—Houston] Tempo is upped considerably here.

JACK JONES
(Capitol 4161)

B+ "MAKE ROOM FOR THE JOY" (2:05) [Famous ASCAP—Bacharach, David] Jones makes an appealing teen stand on a fine sweet-beat item from the Columbia pic, "Juke Box Jamboree", which stars the songster. A chorus reciting the joys of youth plays excellent counterpoint to the Jones reading. Could prove a winner.

B "WHEN I LOVE I'LL LOVE FOREVER" (1:59) [Trinity BMI—Locke, Moore] Affable upbeat reading of the rock pleaser.

"Only those records best suited for commercial use are reviewed by THE CASH BOX"

The Cash Box Disk of the Week

"BONAPARTE'S RETREAT" (2:20) [Acuff-Rose BMI—King]

"THE KISSING TREE" (2:46) [Carlfred ASCAP—Lindeman, Stutz]

BILLY GRAMMER (Monument 403)

● Grammer, who started his disk career on the right foot with "Gotta Travel On", takes another big step with his delightful teen-viewed reading of the oldie, "Bonaparte's Retreat". The approach by Grammer and supporting combo-chorus cast is a snappy, big beat joy. The performer's hit string starts right here. "The Kissing Tree" is a folk-flavored pleaser taken in a softer, but ever present beat manner. It's "Bonaparte's Retreat" for us.

"JO-JO THE DOG-FACED BOY" (2:02)

[Wonderland BMI—Sherman, Sherman, Roberts]

"LOVE ME FOREVER" (2:14) [Walt Disney ASCAP—Adamson]

ANNETTE (Vista 336)

● Annette, who walked hand-in-hand with "Tall Paul" up the popularity charts, should head back there, this time with a guy named "Jo-Jo The Dog-Faced Boy". In addition to switching her affections the young thrush switches labels, going over to Vista, the Disneyland affiliate. Cheers for "Jo-Jo" open the rousing rocker waxed in "Tall Paul" style. Camarata's ork and chorus add sparkle. Flip is a fetching, rock-a-ballad re-working of the Italian mainstay, "Santa Lucia".

"ALMOST GROWN" (2:21) [Arc BMI—Chuck Berry Music]

"LITTLE QUEENIE" (2:36) [Arc BMI—Chuck Berry Music]

CHUCK BERRY (Chess 1722)

● The new Chuck Berry offering definitely means money-in-the-bank for all concerned. And both ends of the release should be battling it out for top honors. One ends a thumpin' delighter about a clean livin' cat who's "Almost Grown". On the other end, a pile-driver from the "Go Johnny Go" flick, Berry brags about his "Little Queenie". Great instrumental work on this two-sided smasher.

"ALOYSIUS HORATIO THOMAS, THE CAT" (2:18)

[Conley BMI—Slay, Crewe]

"TUMBLER DOWN" (2:28) [Conley BMI—Slay, Crewe]

BILLY & LILLIE (Swan 4030)

● Billy & Lillie, who got back in the click groove with their tantalizing reading of "Lucky Ladybug", should easily repeat with "Aloysius Horatio Thomas, The Cat". It's in the calypso category, a Billy & Lillie trademark, and the cute novelty lyrics are gonna make the kids sit up and take notice. Reverse etching features more of the same calypso fun-making but it's the 'classy cat' stint for the big action.

"RIO BRAVO" (2:57) [Witmark ASCAP—Webster, Tiomkin]

"MY RIFLE, MY PONY AND ME" (2:41)

[Witmark ASCAP—Webster, Tiomkin]

DEAN MARTIN (Capitol 4174)

● Dean Martin changes the locale for his newest Capitol coupling. The crooner, who has had a Neopolitan setting for many of his previous outings, now sets up camp in the cowboy's domain. On the upper half Deano is heard softly waxing, "Rio Bravo", the pretty title tune from the up-coming flick in which he stars. Flip's another easily-paced, western-styled sentimental opus from the same pic. Top lid's the one to eye.

GEORGIE SHAW

(Metro 20019)

B+ "MAYBE YOU'LL BE THERE" (2:35) [Triangle ASCAP—Gallop, Bloom] A teen turn for the standard that could go places. Production is big and Shaw's voice handsomely carries the pretty effort. Watch waxing.

B "ONCE IN A WHILE" [Miller ASCAP—Green, Edwards] Another updated sturdy looks good here. Side is to be eyed, too.

TONY ABBOTT

(Deb 232)

B "SORRENTO CHA CHA" [P.D.] The Italian favorite receives a colorful Latin treatment from the clean-sounding Abbott crew on the initial Deb issue. Exposure could mean business for the entry.

B "SIDEWALKS OF NEW YORK CHA CHA" (2:33) Honky-tonk keyboard is employed (to possibly suggest New York's Bowery at-the-turn-of-the-century) in further cha-cha gaiety.

NELSON RIDDLE

(Capitol 4175)

B "DEGUELLO" (2:53) [Whitmark ASCAP—Tiomkin] The Riddle ork offers an expressive, Spanish-styled theme—lazy trumpet out front—from the forthcoming flick, "Rio Bravo". Sensitive instrumental that can garner lots of mood programming.

B "BLUE SAFARI" (2:28) [Weiss & Barry—Stein] Haunting blues work here. Also of station turn-table note.

BERNIE WAYNE

(Imperial 5575)

B+ "THE WHISTLING PIXIE" (2:19) [E. B. Marks BMI—Wayne] An ingratiating tune is set to an infectious march whistle-vocal arrangement by the Wayne musicians and songsters. This catchy joy can go places. Watch it.

B "SOFT SHOE ROCK" (2:24) [Alan-Edwards BMI—Wayne] Happy conga entry, with a zither-like instrument getting the feature role. Should delight the jocks.

SANDY STEWART

(Atco 6137)

B+ "PLAYMATES" (1:58) [Joy ASCAP—Dowell] The familiar kiddie tune passes in bright beat review. Waxing has a contagious bounce, with a feature of the lark's fine warbling a portion where she plays counterpoint with her own voice. Sax work is a teen delight. Many a platter spin due for this item.

B "HEAVENLY FATHER" (2:30) [Benell BMI—McGriff] Conviction by Miss Stewart on a feelingful prayer to protect the boyfriend and make the gal worthy of him. This oldie could make the grade too.

JOHN SOWELL

(Citation 1038)

B+ "SO HELP ME HANNAH" (1:33) [E. B. Marks BMI—Hall] Driving, handclap-gimmick stint by Sowell that's going to please a horde of youngsters. Handclap has a "Deep In The Heart Of Texas" tone, but comes at a more rapid clip. Eye this effort.

B "NIGHTMARES" (1:56) [Topaz BMI—Sowell, McCulloh, Tye] Wild one over here. Screaming voices make up the nightmare theme.

DE CASTRO SISTERS

(ABC-Paramount 10007)

B+ "CLOSE TO YOU" (2:17) [Bar-ton ASCAP—Hoffman, Livingston, Lampl] Choice cha-cha offering by the larks and Don Costa ork-chorus. Evergreen is a pretty thing, and its bright Latin look gives a fine, commercial spicing. There could be strong sales (and deejay) activity on this delight.

B "WITH MY EYES WIDE OPEN" (2:49) [DeSylva, Brown & Henderson ASCAP—Revel, Gordon] Smooth teen dressing for the appealing mainstay. Sure jock pleaser.

WALLY LEWIS

(Liberty 55178)

B+ "THAT'S THE WAY IT GOES" (2:04) [Owen BMI—Lewis] Excellent Johnny Cash-styled performance by Lewis on the infectious middle-beat ditty. Kids can make this deck a ranking chart item in both pop and country circles.

B "EVERY DAY" (1:55) [Owen BMI—Lewis] Faster tempo on a contagious romancer.

GUY LOMBARDO

(Capitol 4152)

B "LA VALSE JOLIE" (THE PRETTY WALTZ) (2:26) [Leeds ASCAP—Thielemans] A lilting ¾ ditty carries the Lombardo bounce and an easy-take quality. Side with grow-on-you effect.

C+ "SILVER DOLLAR" (2:37) [Hampshire House Rialto ASCAP—Van Ness, Palmer] One of those "with vocal chorus" novelty items that has to be by the Lombardo crew.

THE JACKSON BROTHERS

(Candy 002)

B "TROUBLES" (2:00) [Wall BMI—Jackson, Kugell] Infectious jump quality to this blend by the songsters that will remind folks of the Everly Bros. hit, "Problems".

B "BABY BABY" (2:00) [Wall BMI—Jackson, Giam] The boys offer a rollicking bit of rock joy or the ditty.

The Cash Box Sleeper of the Week

"IS IT EVER GONNA HAPPEN" (1:59)
[Grace ASCAP—Sands, Dewar, Lampert]

"I AIN'T GITTIN' RID OF YOU" (2:58)
[Grace ASCAP—Sands, Dewar, Lampert]

TOMMY SANDS (Capitol 4160)

● Chances are Tommy Sands will be back up in the top ten brackets with his biggest side since "Teenage Crush". Lid opens with Tommy belting the title, "Is It Ever Gonna Happen", picks up full steam with the band supplying the Big Beat sound and the end result is a teenage smash. Under half, a slow rhythm affair tagged "I Ain't Gittin' Rid Of You", sports a top drawer blues vocal by Sands and a fine, down home musical backdrop. Also bears close attention.

"I GOT PLENTY O' NUTTIN'" (2:11)
[Gershwin ASCAP—Gershwin, Heyward, Gershwin]

"NOW AND THEN" (1:58) [Palm Springs ASCAP—Darian, Whitney]

FRED DARIAN (Okeh 7113)

● Okeh could have a hot property on its hands in the person of Fred Darian. The chanter's engaging tones are heard to good advantage on this modernized, r&r interpretation of the "Porgy And Bess" classic, "I Got Plenty Of Nuttin'". Strong choral and ork assist for Fred's potent warbling. Deck builds in intensity along the way and could do the same sales-wise. On "Now And Then" Fred demonstrates his grade "A" rock-a-ballad stylings. Chanter has the goods.

"JUST SUPPOSE" (2:03) [G&H BMI—Gradess]

"BOOM" (2:25) [G&H BMI—Andrews]

LEE ANDREWS (United Artists 162)

● Lee Andrews puts his finest ballad outfit on as he takes the very pretty "Just Suppose" for a silky-smooth vocal ride. Lovely choral and ork background suits Andrews polished tones to a "t". Lee, the vocal crew and the ork do an about-face on the other half as they flavorfully groove a real catchy cha-cha tagged "Boom". The artist's two-mart fandom could make this pairing a big item in both areas.

"ONLY YOU" (2:28) [Wildwood ASCAP—Ram, Rand]

"RAINY NIGHT IN PARIS" (2:35) [Beechwood BMI—Black]

FRANK POURCEL'S FRENCH FIDDLES (Capitol 4165)

● "Only You", one of the most beautiful tunes ever to come out of the rock 'n roll kingdom is brought back in absolutely thrilling instrumental fashion by Frank Pourcel's French Fiddles. The lush, soaring string piano-triplet treatment of the Platter's initial smash could very well develop into Pourcel's 1st big single item. The strings paint a lovely scene on the slow paced ear-arresting under-lid. Top half can break wide open with the airplay.

"PLEASE DON'T SAY NO" (2:07) [Leo Feist ASCAP—Fain, Freed]

"BEHAVE. HULA GIRL" (2:17) [Billy Ward BMI—Ward]

BILLY WARD & HIS DOMINOES (Liberty 55181)

● The striking, highly dramatic plea from the lead voice on the sturdy, "Please Don't Say No", is a potent bid for a chart status for the side. While the songster is giving the effort his all, the remaining Dominoes plus other songsters and the string-rock ork provide an appropriately soaring backdrop. Bottom end filter was culled from an LP tabbed "Pagan Love Song".

MARY SWAN
(Swan 4028)

B+ "PRISONER OF LOVE" (2:23)
[Mayfair ASCAP—Robin, Gas-kill, Columbo] The oldie, associated with both Russ Columbo and Perry Como, could make a return appearance on the charts via this terrific, updated rock-a-ballad version by Mary Swan. Could bust loose.

B "MY GIRL FRIEND BETTY" (2:27) [Bae ASCAP—Mann, Lowe] The gal hands in another strong job on this new teen affair done up in r&r-ballad style.

THE BROTHERS
(Argo 5329)

B+ "SIOUX CITY SUE" (2:25) [Edwin H. Morris ASCAP—Freedman, Thomas] This tremendous new rock 'n roll arrangement of the old favorite could push the disk way up into the dual-mart hit brackets. Contagious cutting that the teensters oughta pick up real quick.

B "DEEP SLEEP" (2:27) [Arc BMI—Mathis] Here the boys softly sway over a dreamy, Everly Brothers-flavored love affair.

ALLEN PAGE
(Moon 303)

B "SUGAR TREE" (1:57) [Bexley BMI—Wingate] Interesting rock affair based on exotic, jungle beat and songster nicely goes with the idea. Above-board teen affair that could be of import.

C+ "SHE'S THE ONE THAT'S GOT IT" (2:08) [Bexley BMI—Wingate] Guitar work is the big rhythm factor here.

GEORGE KAY
(Casa Grande 102)

B "MISERLOU" [Colonial BMI—Nicholas, Roubanis] The Latin mainstay taken with lots of percussive color from the Oriental ork, with Kay & chorus popping-up about mid-way to add even more excitement to the proceedings. May step-out.

C+ "DAUGHTER OF THE DESERT" (YA HA BEEBEE) [Donna BMI—Kay, Paul] Pulsating Arabian-type ork-vocal side. Again exciting fare.

TENNESSEE ERNIE FORD
(Capitol 4173)

B "BLACK EYED SUSIE" (2:02) [Snyder—Ford, Fascinato] A delightful hoedown scored opus by Ford and the ork-chorus. Number has lots of charm, and none of it has been neglected in the joyful approach. Ford's many fans will love this outing.

C+ "CODE OF THE MOUNTAINS" (3:12) [M. M. Cole] Two men kill another in this mountain lament.

BRIAN DAVIES
(Dot 15910)

B+ "A TOUCH OF PINK" (2:10) [Northern ASCAP—Lampert, Loring] Newcomer Davies has a fine folk-styled version of the charming oft-recorded pic tune ("The Wild And The Innocent"). Bright Milton DeLugg ork-chorus backdrop. If tune catches public's fancy, here's a version that will be a big part of its success.

B+ "WHEN I'M NEAR MY GIRL" (2:29) [Sheldon BMI—Evans, Kronides] Touching ballad-beat portrayal by the songster on the pretty teen statement. Dialogue portions are included. There can be big activity on this end, too.

KENNY RANKIN
(Decca 30852)

B+ "CINDY LOO (MY CINDER-ELLA)" (2:22) [Monument BMI—Sacks, Anisfeld] Kenny Rankin comes up with a bright, tuneful teen stanza on this Decca outing. Charming cha-cha affair that can kick up lots of attention. Ken's an artist to watch.

B "CATCH LOVE" (2:22) [Monument BMI—Sachs, Anisfeld] Smart programming for the jocks on this tasteful swing performance from legit vocalist Rankin. Lyrics to catchy melody are slick. Fine Jack Pleis ork sparkle.

THE C-NOTES
(Arc 4447)

B "LAST SATURDAY NIGHT" (2:10) [EMC BMI—Kelleher] Reliable soft-rock stint by the new male vocal quintet. When ballad session is due at hops, this deck will do very well.

C+ "WE WERE MEANT FOR EACH OTHER" (1:54) [EMC BMI—Pendegar, Toscano] The boys up the tempo to good Latin-beat effect.

LONNIE DONEGAN
(Dot 15911)

B+ "DOES YOUR CHEWING GUM LOSE ITS FLAVOR (ON THE BEDPOST OVER NIGHT)" (2:28) [Mills ASCAP—Rose, Bloom, Breuer] Donegan, of "Rock Island Line" fame, has top-seller in England on this novelty item, and its whacky theme could get deejays on it here. Melody vehicle for the theme is infectious, as is the presentation. A novelty date that could crash through.

B "AUNT RHODY" (2:23) [Essex ASCAP—New Words & Music by Donegan] A contagious rock revision of the folk favorite.

THE SHEPHERD SISTERS
(MGM 12766)

B+ "HEART AND SOUL" [Carmichael ASCAP—Carmichael, Loesser] The larks, who hit the platter big-time with "Alone", have a striking beat encounter with the favorite. The ork-chorus setting has an excellent sound. Can be counted on for favorable deejay plays.

B "IT'S NO SIN" [Algonquin BMI—Skull, Hoven] A smooth rock go for the standard. Another spinnable deck.

THE ESCAPADES

(Poppy 2002)

B "TOMCAT" (1:54) [Amer. BMI—Pierce, Robertson] Combo showing here is well-heelled in the sock, growling sax beat tradition. This is teen merchandise of a contagious order. Should be around at hops.

B "ROCKIN' THE BLUES" (2:20) [Amer. BMI—Julian] The blues rocked at relaxed "rocking chair" pacing. Good helping of teen sound.

JERRY JAYE

(Label 2020)

B "GOING TO THE RIVER" (2:31) [Commodore BMI—Bartholomew, Domino] Initial issue for the diskery is a fine blues-styled outing for songster Jaye, who can really speak for the idiom. Combo backing has Big Beat-groovy finesse.

B "A COTTAGE FOR SALE" (2:58) [DeSylva, Brown & Henderson ASCAP—Robison] The pretty sturdy given the right 'round mid-night touch by Jaye.

BOBBY LONERO

(Liberty 55180)

B+ "THE GIRL THAT I MARRY" (2:22) [Irving Berlin ASCAP—Berlin] This teen translation of the favorite by Lonero could put the songster in the chart spotlight. Item is rendered with a soft upbeat, and shows-up to great ballad-rock advantage. Chart potential.

C+ "LITTLE BIT" (2:08) [Mallory BMI—Behmer, Lonero] Up goes the tempo in sock fashion.

SANFORD CLARK

(Jamie 1120)

B+ "MY JEALOUSY" (2:12) [Gregmark BMI—Clingman] Clark may have contributed a chart performance here, as he sings a striking, rolling rockaballad item. Various trick phrases by the performer add to this way-above-par pressing. Can make the grade.

B+ "BAD LUCK" (2:16) [Gregmark BMI—Hazlewood] Another good showing, this time on the upbeat, and delivered with an effective, staccato arrangement on both vocal & instrumental counts. Could make it along with top-half.

DORSEY BURNETTE

(Imperial 5561)

B+ "TRY" (2:36) [Alan Edwards BMI—Burnette] Burnette's heart seems to be in this affectionate opus, and the result is a highly appealing teen-beat performance. Also of ballad note is the sympathetic combo-chorus backing. Can score big.

B "YOU CAME AS A MIRACLE" (2:24) [Alan Edwards BMI—Burnette] The songster feels the sentiments of this pretty item, too.

THE EASY RIDERS

(Columbia 41347)

B+ "EAST VIRGINIA" (2:05) [Montclare BMI—Gilkysen, Dehr, Miller] The group, of "Marianne" fame, offers a brisk performance on the fine folk-tune that has solid commercial appeal, considering the current standing of folk-flavored decks. Pressing was taken from the team's new "Wanderin'" LP. Waxing can make-it.

B "JOHN HENRY" (2:38) [Montclare BMI—Gilkysen, Dehr, Miller] The famed folk piece in an infectious setting. Also from the album.

THE ROBBINS

(Redhead 100)

B "AND EVERYTIME" (2:25) [Beat BMI—Robbins, Harris] Catchy beat fare from the gals built around the "sound" the gal's heart makes each time the fella's around. The sound is portrayed both vocally & instrumentally. Good banjo solo half-way down the track. Affable teen entry.

C+ "TWEEDY-DEE" (2:17) [Beat BMI—Robbins, Harris] Folk-flavored humor ditty.

GEN. DE ZASTA

(Roulette 4141)

B+ "THE SPANISH MARCHING SONG"—Part 2—(2:15) [Patricia BMI—Camino, Todd] Zany take-off on the oft-recorded march item, with the conductor trying to get the members of the ork playing the tune his way. Certain to be a hit with the humor jocks.

B "THE SPANISH MARCHING SONG"—Part 1—(2:15) [Patricia BMI—Camino, Todd] On the level, rousing ork-chorus reading of the opus.

DUANE GRAY

(Majestic 2196)

B "COME HOME" (2:20) [LeBill BMI—Gray] Gray belts just about as fast as his larynx will take him on this belter. His combo backing also goes at a terrific beat clip. The tempo alone here is enough to stir interest in the waxing.

C+ "I WANTA KNOW" (2:03) [LeBill BMI—Gray] Gray offers a lament-like vocal, and produces a good-sounding side.

DON BRADFORD

(Spot 101)

B "THAT AIN'T MUCH" (2:01) [Cedarwood BMI—Shannon] Engaging folk-flavored ditty, with singer Bradford heading the lively aggregation of vocalists & instrumentalists. A joyful entry worth attention.

MALCOLM DODDS

(Decca 30857)

B+ "DEEP INSIDE" (2:33) [Robert Mellin BMI—Pomus, Shuman] A strong beat romancer given to a singing talent that can handle it. The impressive Dodd's showing is admirably supported by pro Jack Pleis ork-chorus rock scoring. Could get to green chart pastures.

B "TREMBLE" (2:33) [Robert Mellin BMI—Dodds, McGill] Snappy beat-swing cut built on the order of a spiritual & "Fever". Lots of teen charm here.

RICKY ROY

(Spann 416)

B "SCREAMIN' MIMI" (2:33) [Central BMI—Carroll, Roy] Effective novelty bit about a gal who screams when watching horror movies; among other instances. Songster Roy and "Screamin' Mimi" gimmick plus the combo-chorus backing take the affair in solid beat stride. Could get places.

SAM ARDILO

C+ "A KINGDOM FOR A KISS" (2:47) [Overton BMI—Medley, Dixon] Deliberate slow-beat issue.

GEORGE W. JONES

(RCA Victor 7485)

B "COME BACK BABY" (2:16) [Keel Miller Songkraft BMI—Miller, Yolanda Paterno] The new artist—not to be confused with country star George Jones—turns a happy, semi-novelty trick about a fella trying to get his gal back by calling for her as the train leaves the station. Tempo in fact, has a train-like pace. Good "boo-hoo" gimmick. This light rock piece is worth spins.

C+ "I'M JUST A FOOL" [Keel Miller Songkraft BMI—Hernandez, Miller] Sincere reflection of a guy's troubles with the gal.

ABBY HOFFER'S TRUMPETS

(Madison 111)

B+ "SUMMERTIME" (2:04) [Gershwin ASCAP—Gershwin, Heyward] Backed by an enticing, shuffling beat, the Hoffer trumpets glow on the Gershwin classic from "Porgy & Bess". This original reading of the beautiful opus has the "difference" of approach to make it a strong contender for chart sales. Also, general disactivity on "Porgy & Bess" material—owing to the forthcoming flick version—should help, too.

B "THE CONTINENTAL" (1:47) [Harms ASCAP—Conrad, Magidson] Bright swing run-through on the evergreen. Top-half has it.

CAROL JARVIS
(Dot 15912)

B "BUTTONS AND BOWS" (2:00)
[Famous ASCAP — Livingston, Evans] The chirp nicely upbeats the Dinah Shore click of 1948. Modern teen revival here should win new friends for the charming ditty.

B "YOU'RE THE ONLY STAR IN MY BLUE HEAVEN" (2:17)
[Shapiro-Bernstein ASCAP—Autry] A warm rockaballad turn for the artist. Fine teen dance-floor romancer.

SAM HAWKINS
(Gone 5054)

B+ "WHEN NOBODY LOVES YOU (COME TO ME)" [Diana ASCAP—Seneca] Hawkins who had territorial success with "King Of Fools" hands-in a winning beat-romantic stint, as he sincerely cuddles this glowing opus. Big chorus chanting heightens emotional feel. A session that could come-through in high pop & r&b style.

B "SHE DON'T NOTICE ME"
[Sidney BMI—Barrett] Effective, dirge-like vocal. This boy can sing.

SCOTT ENGEL
(Orbit 537)

B+ "GOLDEN RULE OF LOVE" (2:16)
[Devorzan Sherman BMI—Kohen] Warm beat glow to Engel's warbling on a tune that sets down pointers on how a fella should treat the loved one. Pleasing melodic line. Could get hefty rock jock spins. Hand-some color sleeve.

B "SUNDAY" (2:03)
[Williamson ASCAP—Rodgers, Hammerstein] The charming opus from "Flower Drum Song" in a most agreeable teen approach.

THE SUGAR BUNS
(Warner Bros. 5046)

B "NAILS AND SNAILS" (2:04)
[Saxon BMI — Catalano] Cute vocal trimmings to this joyful beat bit by the gals. Title is used to show the fella's attitude of not caring about gals as yet, but of "nails & snails & puppy dog tails". Bright release.

C+ "PAJAMA PARTY" (1:54)
[Saxon BMI—Wolf, Mure] Fair rock cut, with a title that's being used in other current teen disks.

CAROLE KING
(ABC-Paramount 9986)

B+ "BABY SITTING" (2:20)
[Pamco BMI—King] A sure-handed belt attack is displayed by the songstress on this busy teen entry. Combo-wise, too, the performance hits a pro beat note. Should be favored at hops.

B "UNDER THE STARS" (2:20)
[Pamco BMI—King] Good ballad nicely presented in hard-beat fashion. Instrumental highlight is the tricky guitar work. Will meet with solid teen approval.

KITTY WHITE
(GNP 141)

B "I AM YOUR DREAM" [Witmark ASCAP — Tiomkin, Webster] The fine stylist beautifully cuddles the intimate tune from Dimitri Tiomkin's Academy Award nominated score for "The Old Man And The Sea". Appropriately moody Benny Carter ork backing. For a class spin.

B "THE OLD MAN AND THE SEA" [Witmark ASCAP—Tiomkin, Webster] Alluring pic main title sung poignantly by the artist.

ANN CASTLE
(X-Power 1001)

B "JUST A LINE (TO SAY I LOVE YOU)" (2:15)
[Volkwein ASCAP—Quesado, Canton, Dove] Attractive love letter read by the lark, who receives fine companionship from the sax-lead combo. Pretty thing that makes an appealing teen dance-floor entry.

C+ "GO GET THE SHOTGUN GRANDPA" (2:08)
[Platter BMI—Gunn, Temple] The fella's on the run, and aims to get him back.

THE BEATNIKS
(Performance 500)

B+ "BEAT GENERATION" (2:03)
[Dynasty BMI — Giant, Shaw] Sock rock essay on the "beat generation" (rock 'n roll generation, that is) delivered with beat polish by the vocalists. Backing by the combo tags excitingly along. Number should not be confused with a Paul Evans' "Beat Generation" item on Atco. High commercial sound.

B "GET YOURSELF READY" (2:20)
[Dynasty BMI—Berns, St. Charles] Somewhat folk make-up to this good jump opus about a drifter.

BOBBY LORD
(Columbia 41352)

B "PARTY POOPER" (1:55)
[C. N. Daniels ASCAP—Wayne] A sock request that the gal not leave the party from the rockabilly songster. As rock dance floor item, the kids couldn't ask for more.

B "WHAT A THRILL" (2:22)
[Alamo ASCAP—Roberts, Jacobson] Much in teen sentiments here for the youngsters to take to heart. Solid ballad-beat performance.

NORM RICHARDS
(Imperial 5567)

B "TEASE ME" (2:10)
[Travis BMI—Ratner] Fine middle-beat showing by Richards on a theme about a fella who doesn't know how he stands with the gal. Lots of good, busy combo-chorus support. Worth deejay attention.

B "DATIN' WITH YOU" (1:54)
[Travis BMI — Ratner] Starry-eyed soft-rock romantic on this end. Touching teen presentation.

GAIL DAVIS
(RCA Victor 7484)

B "ARE YOU READY" (1:50)
[Sherman BMI — Stanley] The songstress, star of the "Annie Oakley" TV series, has an engaging encounter with this infectious rockabilly ditty. Bright vocal-instrumental backing helps, too. Could move.

B "THE WABASH CANNONBALL" (2:35)
[P.D.] The mountain favorite taken for a fine rockabilly, multi tracked ride.

CHARLIE FURY
(Al-Be 167)

B "REPTILE" (2:11)
[Lan-den BMI—Fury, Chambers] Familiar snake-charm tune serves as the basis of this strong instrumental beat work by the Fury headed outfit. A better rock combo chore from the new label.

B "SUMP'N ELSE" (2:45)
[Lan-den BMI—Fury, Chambers] Interesting, funky-like bit, with steady triplets from the keyboard and variations from the sax and guitar.

TED ROSS
(Arwin 121)

B "THE BRAIN" (2:13)
[Daywin Falstaff BMI—Shrager, Chorney, Shrager] Potent part recitation, part sing affair by Ross, who tells of a guy who finds love. A talk 'n sing showing that can make the grade.

C+ "ALL CRIED OUT" (1:50)
[Daywin Falstaff BMI — Shrager, Chorney, Shrager] Blues-based wailer from the artist.

THE FASHIONS
(V-Tone 202)

B "LONESOME ROAD" (2:25)
[Austin, Shilkret] Good spirit on the oldie by the songsters, who put a pro lark out front. Could figure in decent air-play.

C "I AM DREAMING OF YOU" (2:15)
[Caldwell BMI—Davis] All-out rhythm work—a blend of the beat and jazz—on the gospel-type romancer.

ERNESTINE ANDERSON
(Mercury 71423)

B+ "I DON'T SEE ME IN YOUR EYES ANYMORE" (2:23)
[Laurel ASCAP—Benjamin, Weiss] The stylist, who received lots of publicity last year on an LP outing, "Hot Cargo", is heard in a smooth, light-mention-of-a-rock-beat reading of the mainstay. Strings and big chorus go along with the guitar-percussion beat work. Jocks will hop on deck.

B "BE MINE" (2:09)
[Actual BMI—Hendricks, Corso] Mostly straight, and mighty pretty plaintive stint here. Gal is talented. Deejays note this portion, also.

THE OMEGAS
(Chord 1305)

B "RAZZAMATAZZ" (1:40)
[Ryt voc ASCAP — Phillips, Smale] Sprightly reflection of the twenties on this "laughing" sax-spotlighted bundle of spirit. Contagious work that many a mature listener will like to listen to (and perhaps a flock of teenagers).

B "CRAZY BONES" (2:03)
[Ryt voc ASCAP—Goon, Lantz] Pro polka stanza, with a "Mr. Bones" gimmick throughout.

ORRIN TUCKER
(White Rock 1115)

B "BEEN LOOKIN' FOR LOVE" (1:38)
[Robbins ASCAP—Tucker] Middle-beat, rockabilly-styled good feeling from the songster and Go-Group instrumental backdrop. Fair potential.

C+ "I NEED LOVIN'" (2:05)
[Remick ASCAP — Creamer Johnson] More of the same on the ancient.

TEDDI KING
(Coral 62094)

B+ "BLUE TANGO" (2:19)
[Mills ASCAP—Anderson, Parish] The Leroy Anderson instrumental hit of a few years back gets an effective lyric reading by the fine lark. Bright Dick Jacobs ork-chorus setting. Solid commercial sound that should score with the platter spinners.

B "RIVER OF REGRET" (2:23)
[Opus BMI — Ballard, Hunter] Hard beat applied to this wistful portion. Grow-on-you issue.

RAY CONNIFF
(Columbia 41349)

B "ON THE STREET WHERE YOU LIVE" (1:52)
[Chappell ASCAP — Lerner, Loewe] Swingin' typical Conniff sans lyric chorus and ork run-through on the "My Fair Lady" tune. Stuff like this is tailor-made for strong jock acceptance. Side's from best-selling Conniff LP, "Broadway In Rhythm".

B "OKLAHOMA!" (2:39)
[DeSylva, Brown & Henderson ASCAP—Hammerstein, Rodgers] Ditto treatment on the famed musical title song.

JIMMY SMITH
(Blue Note 1704)

B "JUST FRIENDS" [Lewis, Klenner] The excellent jazz organist heads a middle-beat small combo swinger, cut at New York's "Smalls Paradise". A treat for hip jocks to pass on to their listeners.

B "LOVER MAN" [Ramirez] Groovy, smart staccato-like statement on the opus.

LILLIAN BROOKS

(Oriole 1318)

B "DO POTE" (AFTER YOU) (2:35) [Brandom ASCAP—Douglas, Fox, Laney] Pretty import given a lush treatment by the lark & Lew Douglas ork-chorus accompaniment. Interspersed keyboard bits will remind listener of the Nat "King" Cole smash, "Pretend". Track has strength.

B "YOU OUGHTA GET TO KNOW ME BETTER" (2:11) [Frederick BMI—Philbrick] Cute rock-snapper is engagingly offered by the artist.

THE KEN CHOIR

(Coral 62097)

B+ "MY ANSWER" (2:28) [West Side BMI—Harkness, Singleton] The vocalists have a lovely, very soft beat performance on the highly affectionate waltzer. Here's a session that can reap heavy jock play, with resulting exposure that could get deck chart standing.

B "SIMPLE LITTLE THINGS" (2:35) [Champion BMI—Harkness, Singleton] Another sentimental offering on the light-beat by the songsters.

LEROY HOLMES

(Metro 20021)

B "BIG CITY CHA CHA" (2:01) [Allendale BMI—Lawlor, Blake] Lots of excellent-sounding cha cha glitter from the Holmes ork on a "Big City" theme based on "Side-walks Of New York". Organ grinding effects & an amusing sounds depicting kids at play on the streets add to the joy here. Might be important.

B "THE DAUGHTER OF ROSIE O'GRADY" (2:07) [M. Witmark ASCAP — Donaldson, Price] Famed item receives an arrangement somewhat similar to top-half, which means it's a fine cha-cha showpiece.

ERNIE ANDREWS

(Roulette 4139)

B "SO HARD TO LAUGH, SO EASY TO CRY" (2:36) [Patricia Vanguard BMI — Carter, Askam] Andrews has a solid "after-hours" touch on the plaintive, blues-styled ballad. Principal support comes from trumpeter Harry Edison, whose instrument is pin-pointed thoughtfully through-out the session. Excellent legit showing.

B "FRANKIE & JOHNNY" (2:44) [Forshay BMI—Arr. Reig] Pro New Orleans swinger on the classic. Two class takes from the songster.

ELLA FITZGERALD

(Verve 10166)

B "TEARDROPS FROM MY EYES" (2:46) [Simon House ASCAP — Toombs] Delectable easy-swing on a fine blues-oriented number by Ella. Culled from stylist's new "Ella Swing Lightly" package, side is sure to make it big with the jocks.

B "LITTLE JAZZ" (3:00) [Godell BMI—Eldridge, Harding] Again from the LP comes the lark's famed way with a bee-bop effort. Should score with the more hip deejays.

PAUL EVANS

(Atco 6138)

B+ "AT MY PARTY" (2:10) [Sounds strong, expressive beat-ballad statement from the songster about love found at a party. Inviting tune has some strains from the familiar melody, "Marta". This well-displayed sentimental can strike it rich.

B "BEAT GENERATION" (1:42) [Sounds, Tweeds ASCAP—Evans, Harris] Tricky jumper that turns the popular phrase around to "generation with the beat". Much in teen sound to be favored by the youngsters.

DICK HYMAN

(MGM 12772)

B "SHOW ME THE WAY TO GO HOME" (2:34) [Harms ASCAP — King] Hyman handles the organ in this hard-rock & swing attack on the perennial. Run-through is tuned in to two teen tastes and can also get an appreciative ear from many an older listener.

C+ "LOOK UP" (2:29) [Roger ASCAP—Hyman] Earthy item from Hyman (on organ again) and tenor saxist Sam "The Man" Taylor, released last year by the label.

CONNIE & THE CONES

(NRC 5006)

B "LET US PRETEND" (2:13) [Nu-Star Kenny Marlow BMI—Fortune, Ball] Waxing has its haunting moments, with the songstress making a strong case for the wistful and the vocal group keeping in fine rockaballad step, too. OK teen issue.

C+ "I SEE THE IMAGE OF YOU" (2:27) [Nu-Star Kenny Marlow BMI—Fortune, Ball] Good beat-ballad again nicely portrayed.

LIONEL NEWMAN

(Decca 30863)

B "THE SOUND AND THE FURY" (2:51) [Leo Feist ASCAP—North] This soundtrack main-title is a jazz tempered, dramatic opus that gets a full-blown ork treatment from the Newman directed 20th Fox outfit. Deck ends "quietly".

B "JASON AND QUENTIN" (2:57) [Leo Feist ASCAP — North] Strings and then a soft combo on another "Sound And The Fury" theme. Good mood piece.

HILLARD STREET

(Capitol 4162)

B "COMPRENDE" (UNDER- STAND) (2:07) [Mr. Music BMI—Street] Exuberant rock stanza by the songster, ork & chorus on the Latin-styled jumper. A full-blown, handclapping date for the kids to take beat pleasure at.

B "THERE'S NO ONE LIKE YOU" (2:20) [Eddie Shaw ASCAP—Gross, Burton] Heart-felt declaration by the polished artist.

England's Top 30 Records

More U. S. artists arriving in Britain for concert, vaudeville, and television appearances. Right here at the moment you can find **Connie Francis**, **Johnnie Ray**, **Count Basie**, and **Louis Armstrong**.

Due over are **Billy Daniels**, **Woody Herman**, **Abbey Lincoln**, **Josh White** and **Dinah Washington**, and just returned are **Jane Morgan** and **Billy Vaughn**. Vaughn only stopped to change planes on his way back to California having spent several days in Hamburg, Germany and Amsterdam, Holland to collect a few gold records for his fabulous sales of "Sail Along Silvery Moon".

Max Bygraves, who recently visited the U.S., will, on his return, start a new picture for Twentieth Century Fox and his co-star will probably be **Shirley Jones**.

We welcome any American stars who come over for guest appearances on television, especially if it helps to promote their recordings. But we do feel that managements should make sure that their artists do not make a trip in vain to these shores and please remember that one hit record is not enough to create a sensation.

Had one of the most pleasant surprises this week when I received a copy of the new **Ray Conniff** album, "Broadway In Rhythm". Being a staunch fan of Conniff's, I avidly played and played this album which I consider one of his best. Thank you, Ray, for the thought.

Connie Francis, who appeared at the Palace Theatre, London last week cut an album in London comprising songs by British composers.

Another possible visitor to Britain is **Earl Grant**.

Betty Johnson due over to this country and to Sweden for television appearances.

I hear London Records is about to release a new **Mike Preston** disk—D.J.'s please watch out for it. Having heard it I would say it is a smash.

The Star Spastics Organization are holding their annual big concert at the Empire Pool and Sports Arena, Wembley; some of show business' biggest stars will appear for this very worth while cause on March 22nd and see a lot of money raised.

A song from the continent which I mentioned recently has been recorded by **Petula Clark** and **Jimmy Young**. Song titled "Watch Your Heart" will, I predict, make the best selling charts over here and could do the same in the U.S. if someone really steps on it.

Tommy Steele has a new waxing on the market titled "Hiawatha" rating pretty high with the fans.

ALL ABOUT DISK JOCKEYS

Tad Gorman (WALE-Fall River, Mass.) has the only all jazz show in Southeastern Mass. area, and he's only sixteen years old. Gorman started the show on the 18th of January. His ambition is to become a regular deejay, and the station has already applied for his Third Class Radio Operators License. . . . Johnnie Rowe (KOBH-Hot Springs, S. Dakota) has been voted the favorite disk jockey in the entire Black Hills area in a recent contest held by several retail record shops there. Rowe is planning matrimony sometime in September of this year. . . . When Buddy Basch went to Hartford to stage the Music Op's. of Conn's. second annual show, he stopped at every service station on the parkway to call deejay friends along the route. . . . Walter Randy Powell (WBVL-Barbourville, Ky.) will be sending out a list-sheet for all those in the trade who want it. The sheet will be titled "Powell's Patter" and will include his "950's Nifty Fifty". Powell was graduated from Union College in January with an A.B. . . . Joe Slizik (WCAT-Orange, Mass.) tells us that while studying the music situation he finds that his audience is well caught up with the tunes & trends. Slizik says that even certain types of jazz are appreciated and names for an example Steve Allen's "St Louis Blues", which happens to be going over very well in the area. . . . WFBR-Baltimore, Md. has a new address. Ralph Phillips tells us that the station switched its quarters from 10 E. North Avenue to 13 E. 20th St., Baltimore 18, Md. . . . WINS-New York City, as a regular feature on all disk jockey shows, has begun programming a "Bomb Of The Week". This new feature spotlights any new release that in their opinion is the worst thing to be produced that week. The "Bomb" is introduced by a special transcription. . . . Richard Stamz (WGES-Chicago, Ill.) the station's "Crown Prince" left March 13th to tour Puerto Rico by air. Stamz is completing plans to start a yacht club on the island of Andros. . . . P.D. Ed Montray (KQEO-Albuquerque, New Mexico) writes that the hottest side in the area, for months, is the Rockin' R's outing on Tempus, "The Beat". Paul Bain, also KQEO, is a father for the second time, another girl. . . . P.D. George Cromwell (KFBI-Wichita, Kansas) tells everyone to watch "You're Gonna Be Sorry" by Jimmy Ford on the Stylo label. . . . Station Manager Jerry Warren (WGLI-WTFM-Babylon, L.I., N.Y.) informs us that according to the latest Pulse report WGLI leads all other Long Island stations with the largest average all-day share of audience. . . . Jay Michael (WCAE & WTAE-TV-Pittsburgh, Pa.) reports that his Saturday afternoon Jay Michael Bandstand for WTAE has a 23.0 rating for the first quarter hour of his two hour show. The Jaybird picks up passengers as he rolls along and the final quarter hour shows a 28.0 rating according to the latest Neilson. To top it off, the Nielson report shows a 60% adult audience which means that almost everybody tunes in channel 4 in Pittsburgh to watch the Bandstand. . . . Sheldon Silk (WALE-Fall River, Mass.) in addition to his turntable skills is the writer of "Fraternity Pin", recorded by Crew-Cuts on RCA and Kirk Stuart on Jubilee. . . . Leigh Kamman (KSTP-Minneapolis, Minn.) has been emceeing a "Band Of The Month" series inaugurated by KSTP and the Prom Center in the Twin Cities. The series spotlights a name Band each month. Recent groups have included The Richard Maltby crew, with Ralph Marteri coming in on March 21st, Billy May in April and Stan Kenton following in May. . . . Rick Fight (WQOK-Greenville, S.C.) has asked his listeners to send in their reaction to the Bellnotes deck "I've Had It". The catch is that the reactions must be sent in cartoon-wise, with the winning cartoonist receiving five swinging LP's.

The entire artist roster is being revamped, and new names will be announced shortly.

They have had in-person success from that record including headline appearances at the Olympic Theatre in Paris and the Palladium in London.

Metrojazz To Release "The Seven Ages Of Jazz"

NEW YORK — Concurrently with the month-long celebration of jazz now under way in the nation's capital, Metrojazz Records last week announced plans for the immediate release of "The Seven Ages of Jazz," a two-volume package produced and narrated by Leonard Feather and under the musical direction of Dick Hyman. The album is a live recording of a concert staged by Feather and Hyman in September, 1958.

Seven Ages of Jazz has also been selected as the title of an historic display of jazz memorabilia at the Library of Congress in Washington, D. C. The highlight of the commemoration in the capital is a concert with an all-star cast to be presented March 16 as a "Jazz Jubilee" before a black-tie audience at the Sheraton-Park Hotel, for the benefit of the Friendship Settlement House, under the auspices of a list of patrons headed by Mrs. Dwight D. Eisenhower and Mrs. Richard Nixon.

The album features, among others, trumpeter Buck Clayton and pianist Willie "The Lion" Smith, both of whom are to be heard at the affair. Also starred in the LP are Billie Holiday, Maxine Sullivan, Brownie McGhee, Coleman Hawkins, Don Elliott, Georgie Auld, Milt Hinton and Don Lamond.

Wynne-Star Satellite Deal

NEW YORK—In a joint statement last week, Sid Pastner, head of Wynne Records, Bernard Vanella and Nick Star, co-owners of the Star Satellite label announced that Wynne Records, had taken over the world-wide distribution for Star Satellite records.

Effective immediately, all Star Satellite sales will be handled through the Wynne distribution outlets. The Star Satellite, a Philadelphia based outfit, came to the attention of Pastner, because of the reported action created on one of its record releases — "Uncertain Love" by Bobby D'Fano.

At present, Pastner is making a rip to Hollywood, setting up promotional outlets, visiting distributors, and closing a pressing deal for the western states.

Pastner stopped in Dallas to record an album with Ted Weems & his Orchestra, as well as several sides with Ted Stanford, two of the label's top properties.

Association Of Record Dealers Discuss Problems

NEW YORK—Problems confronting the record dealer were discussed at a recent meeting of the Association of Record Dealers in New York.

Principal speaker was Martin Spector, vice-president of the Society of Record Dealers of America. Spector said that "record dealers from coast to coast are plagued with identical set of problems: the selling of records as loss leaders; discount operations; record clubs as operated by the major record companies; the introduction of records into supermarkets, drug stores and sundry other strange outlets by rack jobbers". The conclusions, according to Spector, were that all of these "new" phases of record merchandising had two net results: "the cheapening of the product in the eyes of the public and the near bankruptcy of the thousands of specialty shops throughout the land, with a collective inventory reaching into millions of dollars".

"While record manufacturers have gained handsomely from these 'new' selling techniques," Spector continued, "the record dealer is forced to face an unfair competitive situation, and has not been able to experience a like gain".

Woodall To Coast

ATLANTA, GA. — Boots Woodall, VP in charge of sales for NRC Records announced last week that Guy Vard of Los Angeles will cover the West Coast for the label.

Ward is taking over the position of West Coast promotion manager and representative. He has been in the business for several years, in all facets of the industry including the retail end.

"This is NRC's second step in a carefully planned expansion schedule," stated Woodall. In January, Steve Topley of Washington, D. C. was appointed Eastern promotion manager.

Paul Siegel Swinging In Germany

BERLIN, GERMANY—American music publisher, Paul Siegel, Prexy Symphony House Music, in New York City, and in business here, recently signed long term contracts with English A&R and American and British representative for the German record firm, Ariola Records, which has one of the most modern pressing and recording plants in Europe. Siegel has just set four Ariola artists with American record firms, for releases in the U. S. A.

Macky Kasper, one of the top trumpeters of Germany, will be released with his hit, "Erinnerung" (Remembering) and "Morocco." The "Rapp Family" LP's will be released in stereo. Mercury will release in stereo "So In Love" and "La Vie Angele" by Hans-Georg Arlt, former konzertmeister for the Werner Müller orchestra. Also, Günther Schemmler, a leading jazz pianist in Germany appears on Mercury. ABC Grammont is to release "Tango Milere" by Jacques Arle and his violins, available in stereo.

Also, Siegel will release on records with his orchestra, together with Billy Hoffmann, the "style of Glenn Miller combined with Ray Anthony." The album will be called "The Hoffmann-Siegel Orchestra."

Besides Siegel's record activities, he has established the "Paul Siegel Music Verlag" and has become a member of GEMA, the German performance society. His first German hit was reportedly been the Shapiro Bernstein "Hula Hoop Song."

Other American disks now recorded in Germany for the Siegel Verlag are "Jingle Bell Rock" (Teresa Brewer) from Cornell Music, "Hangin' Up a Horseshoe" (Four Aces) from Pincus Music, "The Happy Frenchmen (Winifred Atwell) from Criterion Music, and "Boola" (Lee Brown) from Gil Music; also, "I'll Never Smile Again" from Leeds Music.

Siegel has also signed a contract as a disk jockey for Sender Freies Berlin (Radio Free Berlin), and plays the newest USA and British recordings, also record imports from the continent and South America. However, the feature of the Siegel deejay show is the selection of one German record and song that could break for a hit in the USA.

As A & R for Ariola, Siegel is accepting new material from the USA and England for recording.

Siegel is still representative for Heino Gaze, a leading film and pop composer in Germany, whose latest U. S. A. release is the Four Aces on Decca with "Roses of Rio." Also Siegel is on the prowl for a continental hit of the stature of his recent hit, "Autumn Concerto" (And That Reminds Me) by Kay Starr & Della Reese.

Symphony House continues to operate in New York headed by Abe Olman, while Siegel operates in Europe. Lyricists such as Al Stillman will set English lyrics to continental hits to be recorded by Ariola in Berlin.

The new distributors will also handle Dana Records.

The 5 new distributors are: L. Smith Distributing, Albany; Metro Distributing, Buffalo; Trinity Distributing, Hartford; H. W. Daily, Houston; and All South Distributing, New Orleans.

Blaine stated, "With the addition of these five new distributors, bringing the total to 37, we feel that we have greatly strengthened our selling position in the industry."

Capitol Ties In With Schlitz Beer On Nelson Riddle LP

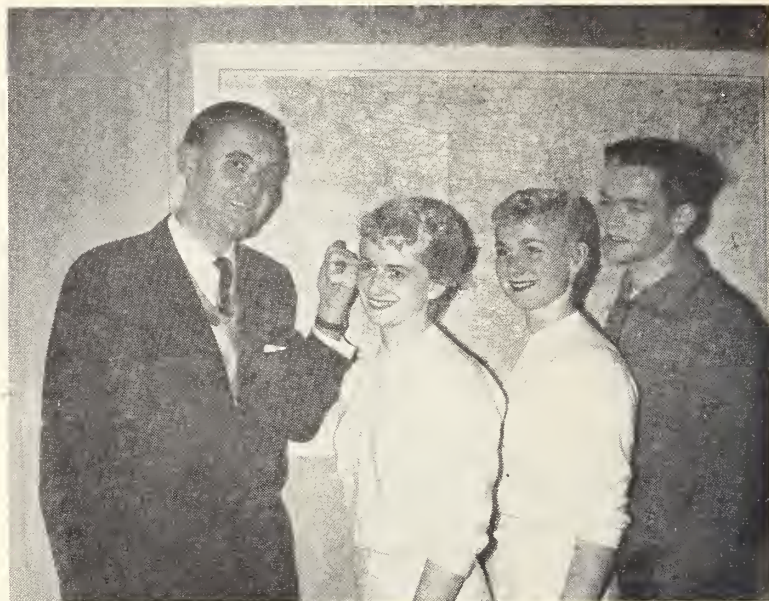

HOLLYWOOD — The new Nelson Riddle LP on Capitol, "The Joy Of Living", will be tied-in with an extensive Schlitz beer magazine, newspaper and radio-TV advertising campaign on its product, with "The Joy Of Living" being the central slogan.

Schlitz has bought full page ads in Life, Look and Saturday Evening Post for this month and next. The ads consist of the actual Riddle album cover with the addition of a couple holding a glass of beer. The firm has full 10 second visual and verbal plugs at the end of their film commercials devoted exclusively to pitching the package. The commercials will appear at least three times during this month on 30 syndicated TV shows plus twice on the CBS network's "Schlitz Playhouse". Schlitz has furnished Capitol with 1,200 cases of beer for distribution to deejays at the time the album is delivered. The beer company purchased 25,000 copies of an especially prepared EP through Capitol's Custom Sales Dept., consisting of two Riddle singles and the original of the "Joy Of Living" theme together with a verbal Schlitz plug, for their dealers, and bought 3,000 of the LP's for their own exploitation purposes.

Schlitz produced a display for dealer in-store promotion that consisted primarily of a blow-up of the Nelson album with proper Schlitz and Capitol identification. About 150,000 of these displays were sent to dealers.

Capitol will distribute the promotional copies of "Joy Of Living" to every radio station and deejay that Capitol ordinarily services only with single records. Dealers, Ops, deejays and Capitol field personnel have been notified via a special mailing of Capitol's tie-in for them to take advantage of this "plus-value" promotion. The diskery has placed consumer ads in such publications as Time, New Yorker, Esquire, Holiday and New York Times.

The "Come Softly To Me" Kids

LOS ANGELES—KPOP Deejay, Earl McDaniel (left), traces the route traveled by the Fleetwoods during their recent Eastern tour plugging their Dolphin hit waxing "Come Softly To Me." Comprising the trio are Barbara Ellis, Gretchen Christopher and Gary Troxel. The song is currently No. 5 on The Cash Box Top 100, jumping from the No. 21 spot last week.

MGM's "Gigi" Sales Pass Half Million

BEVERLY HILLS, CAL. — The Alan Jay Lerner-Frederick Loewe score for the "Gigi" flick is turning into a disk bonanza, as did the team's "My Fair Lady" tunes. MGM's "Gigi" soundtrack has sold a reported 500,000 copies so far, making the deck one of the top soundtrack issues in history. The title song has been nominated for an Academy Award this year.

There are about forty-six LP's and hordes of singles released on the score since MGM marketed the soundtrack album last June. Single sales are so vast, according to the Lowal Corporation which combines all of Lerner-Loewe's activities, that rights to record the title tune are in "constant demand".

The MGM LP was recently released in England, and it's clicking big there, too and French, German and Italian albums are in issue, having just recently been completed in Europe by Norman Rosemont, who produces the score albums for Lowal.

Rosemont has made arrangements for the French version to be released to U.S. stations immediately. Recorded by Philips, the French album's cast includes Maurice Chevalier of the original film cast; Sacha Distel, who sings the Louis Jordan role; Marie-France, 15 year old vocalist in the Leslie Caron role and Jane Marken, 70 year old character actress, who sings the Hermione Gingold role.

Disk Inspires Hungarians

NEW YORK — Lawton Williams, Decca recording artist is gaining a great deal of notoriety with his current recording, "The Iron Curtain".

An impressive telegram was sent to him from the co-ordinated Hungarian Relief in Washington, D. C., which read as follows:

"We congratulate you on your fine record "The Iron Curtain" which we have just received. Its good music and affectionate words should inspire millions to sympathize with the unfortunate Hungarian people. We will give it maximum publicity in the Hungarian language papers all over the world. Please accept our heartfelt thanks."

McKenzie Resigns

DETROIT — Ed McKenzie, one of the nation's best known deejays on WXYZ, here, with a reputed annual salary of \$60,000 from radio alone has resigned his position at WXYZ because of a "difference of opinion" with the station's management, it was made known last week. He joined the station in 1952.

McKenzie issued the following statement: "I have not been fired. This is a mutual agreement, simply because I don't like formula radio. What they have had me doing is no more than a bright schoolboy could have done".

McKenzie's time-slot has been temporarily taken over by Mickey Schorr. The deejay has no immediate plans, other than taking a long vacation.

Westminster Licensee

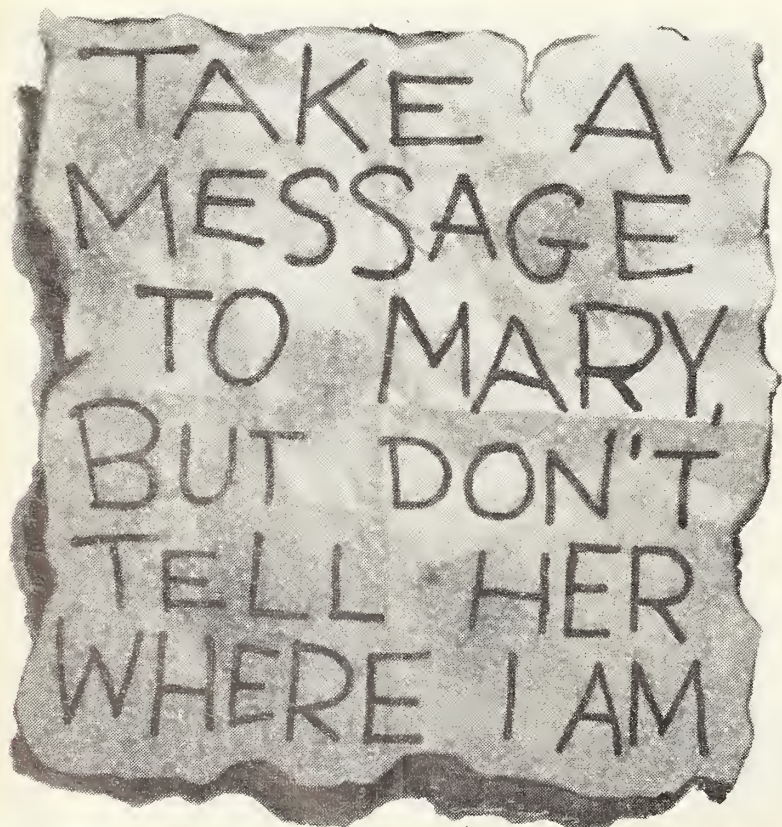

NEW YORK — James Grayson, president of Westminster Records, announced last week that Deutsche Grammophon has been appointed the Westminster licensee for West Germany, Holland, Switzerland, Spain and Portugal. Deutsche will issue the Westminster catalog in these countries under the label Heliodor-Westminster.

The new label will be on sale in all these countries within the next few weeks.

To Be Wed

NEW YORK — Tommy Leonetti, RCA Victor recording artist, and his bride-to-be, Pat Quinn, aspiring actress, are all smiles as they announce their wedding date (June 13), during an evening out at New York's Eden Roc Club.

Huge Turnout For C.M.A. Spectacular

LOUISVILLE — Country music top artists played to approximately 10,000 persons at afternoon and evening performances of the Country Music Association's first spectacular here March 8th at the Kentucky Fair Coliseum, achieving a giant success with the country and western loving audience.

C.M.A. Executive Director, Harry Stone, who said the spec realized a gross of \$8,100.00 and a net profit of \$4,600.00, called the turnout very gratifying considering that snow and heavy rain fell during the preceding several days.

There were programming and production bugs, just as has been experienced by other big organizations on "first nights". But the C.M.A. was quick to recognize these and resolved that they would not recur in the future. On the asset side, was the observation that the C.M.A. attained a milestone in elevating this large scale P.A. show over a lot of other P.A.'s presented under other sponsorship during the last two or three years. It was clear that the listeners wanted more of it, and the lesson was borne home that greater country and western exposure was an immediate must, as a result of which even bigger country and western specs will be possible in the future.

The show brought together for the first time top talent from various parts of the country who had never worked together before. This was attributed to the prestige of C.M.A. sponsorship.

Former Governor, Frank Clement of Tennessee, brought crowd roars as he spoke from the stage during the afternoon performance and told why he loved country music. The Louisville Courier Journal published a 3 column story on the spec and a 3 column picture of the former Governor with artists Ernest Tubb and Jean Shepard, the following morning.

A disappointing factor at the afternoon performance was the absence of Ray Price, who was kept away by a strep throat and of Carl Smith. Smith, however, managed to make the evening performance. T. Tommy Cutler emceed the show, supplying the artists background, while gliding smoothly over some challenging situations.

Artists appearing on the show were: Johnny Cash, Ernest Tubb, Minnie Pearl, Jean Shepard, Charlie Walker, Don Gibson, Lester Flatt, Earl Scruggs, Grandpa Jones, Carl Smith, Roger Miller and The Jordanaires.

Capitol Repacts Alberghetti

BEVERLY HILLS, CAL. — Capitol Records revealed last week that it had exercised its third option on Anna Maria Alberghetti's contract.

Miss Alberghetti is in the process of filming "A Diamond for Carla," a one hour musical scheduled for showing on the March 16 Westinghouse-Desilu Playhouse. She will also appear as guest soloist on the March 10 "Voice of Firestone."

Plans are being formulated to have the singer record an album between the dates of her two TV appearances.

Mercury Signs Heywood & Rich

CHICAGO — Mercury Records signed pianist-composer Eddie Heywood and drummer-singer Buddy Rich to recording contracts, it was announced last week by Jazz Director Jack Tracy.

Heywood is best known for his RCA Victor hit, "Canadian Sunset", and his Mercury best seller, "Soft Summer Breeze", which he cut when with Mercury several years ago.

"In adding Rich to Max Roach, currently on the Mercury roster, we feel that we now have the two greatest drummers in the business under contract," says Tracy.

Another addition to Mercury label is the contracting of Dick Marx, whose piano has gained a strong following around such Chicago nightspots as Mister Kelly's and others.

A third announcement is that the first Mercury album by Quincy Jones and his Orchestra will be completed this week in New York. Jones, with a reputation as composer and arranger for Lionel Hampton, Harry Arnold, Dizzy Gillespie and others already has a Mercury single in release, pairing "Tuxedo Junction" and "Syncopated Clock."

Gen. DeZasta's Debut

NEW YORK—Roulette last week released a new waxing of "The Spanish Marching Song", by a new artist who has been dubbed with the name, "General DeZasta" and his Rebel Marching Band. The disk is a two-part version of the current instrumental which Roulette also has by Joe Reisman and his orchestra. Part 1 of the new version is a lyric rendition with full chorus, part 2 is a comedy version which lampoons marches in general and this song in particular. The lyrics to "Spanish Marching Song", was written by Art and Doty Todd, and was submitted to Patricia Music, by Charles Hansen. Although there was some confusion at first concerning which publishing firm owned the song, Phil Kahl, President of Patricia Music, announced that his firm now owns all foreign and domestic rights to the song.

Although Roulette would not reveal who General DeZasta is, they did say that they would be sending out photographs of him to the disk-jockeys and that they are using a caricature of him in all its advertising of the record.

Roulette this week also issued a new single by Ernie Andrews, his first for the label. Andrews hails from the west coast area, and is currently the featured vocalist with the Harry James Orchestra. His first disk, "So Hard To Laugh, So Easy To Cry", was recorded by Teddy Reig, Jazz A & R chief for Roulette.

Mahler's On Vanguard

NEW YORK — Vanguard Records announced last week that Gustav Mahler's "Das Klagende Lied" (Song of Mourning) will be recorded for the diskery by the Hartford Symphony, under the direction of Fritz Mahler. The two Mahlers are unrelated. This Vanguard release will be the only representation of "Das Klagende Lied" in the current catalogue, the label reported.

POPULAR PICKS OF THE WEEK

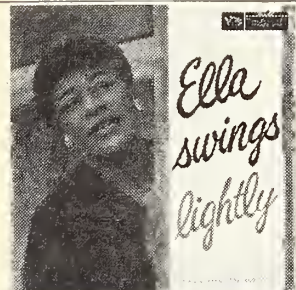

"THAT MOMENT"—Orchestra conducted by Jackie Gleason—Capitol W1147 & SW-1147 (Monaural & Stereo)

Spotlighting the trumpet artistry of Bobby Hackett, the Gleason ork weaves a velvet mood of love. Arrangements by George Williams of such lovelies as "The Song Is You," "That's All," "Oh! What It Seemed to Be" and others, provide lush vehicles for Gleason to continue in the strong mood standing he created with his past LP successes.

"SWINGIN' PRETTY" — Keely Smith — Conducted by Nelson Riddle—Capitol T 1145 — ST 1145 (Monaural & Stereo)

This solo stint for the songstress, who has had several LP and single successes with her bandleader-husband Louis Prima plus several sets on her own, finds her handing in a tuneful, spunky performance on a bevy of standards. The Riddle arrangements of "It's Magic," "Stardust," "Stormy Weather," "The Nearness of You" and others transform these ballads into bright up-tempo vehicles for the delightfully pixieish stylings of Miss Smith. Chart strength.

"ELLA SWINGS LIGHTLY" — Ella Fitzgerald—Verve MG V-4021

The grand lady of song is in top form on this package of 16 perennials—all of which swing gently, with much thanks to the orchestrations of Marty Paich. Numbers include "Little White Lies," "What's Your Story, Morning Glory," "My Kinda Love," "720 In The Books" and other suitable vehicles for the warmth, sincerity and charm exuded by Miss Fitzgerald. No obstacles block the hit path of this one.

"HEY, BOY! HEY, GIRL!"—Motion Picture Sound Track—Louis Prima & Keely Smith—Capitol T 1160

With Sam Butera and the Witnesses, the couple romp through the songs from their soon-to-be-released Columbia picture. Stints include "Oh Marie," "Fever," "When The Saints Go Marching In" and the fiercely swinging title tune. The pair have attracted attention with several recent LP's and singles, currently on the singles chart with "I've Got You Under My Skin", and should have no trouble on the sales route with this package.

"ANTHONY ITALIANO" — Ray Anthony and his Orchestra—Capitol T 1149 — ST 1149 (Monaural & Stereo)

Currently riding high on the charts with his "Peter Gunn" single, Anthony has rounded up a mandolin, marimba, accordion and guitar, added them to his ork in featured solos as a tribute to Italian & Mediterranean favorites. "Carnival of Venice," "Celito Lindo," "Santa Lucia," "La Paloma" and others glow with old world charm. A steady beat is maintained to provide relaxed dancing as well as quiet listening. A class offering that could produce on a chart level.

"SLEEP WARM"—Dean Martin—Orchestra conducted by Frank Sinatra—Capitol T 1150 & ST 1150 (Monaural & Stereo)

Martin and Sinatra collaborate on this dreamy concert of after hours melodies. Martin provides the warm vocal tones while Sinatra conducts Pete King's arrangements, setting the mood with "Sleepy Time Gal," "Dream," "Good Night Sweetheart" and others equally beguiling. The two big names will attract sales attention.

"BOBBY DARIN: THAT'S ALL"—Atco 33-104

Until this present collection, Darin's disk career has been largely limited to the commercialism of rock 'n roll; here he is given a legit singing opportunity and he comes through in pro style. On seven takes Darin swings tastefully (i.e. "Beyond The Sea," "I'll Remember April") and the remaining seven numbers are—more or less—ballad stands that mostly bear a blues feel and are quite touching (i.e. "Through A Long And Sleepless Night"). Songster's singles success could do the chart trick.

"VAUGHAN AND VIOLINS"—Sarah Vaughan with Orchestra conducted by Quincy Jones—Mercury MG 20370

Miss Vaughan forgoes the usual brass and rhythms sections and unites with an ork of 53 to present this romantic package. Recorded in Paris during her successful stint there, the only non-Frenchmen in the group are conductor-arranger Jones and saxist Zoot Sims who supplies the mellow solos behind Miss Vaughan's sweet and sassy singing. No doubt about strong potential for this one.

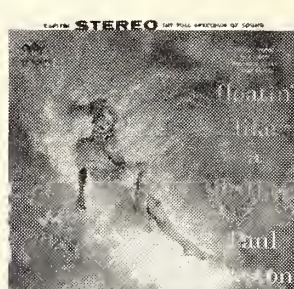

"I'LL REMEMBER APRIL"—Patti Page—Mercury MG 20406

Utilizing Spring as the theme, Miss Page slickly belts out twelve tunes that convey the love message associated with the season. Jack Rael and the ork provide the swinging sounds on the up tempo numbers (i.e. "I Don't Care If The Sun Don't Shine," "On The Sunny Side of the Street") and the vibrant strings on the slow stints (i.e. "Garden in the Rain," "Young At Heart"). Top commercial fare.

"MITZI"—Mitzi Gaynor—Orchestra conducted by Pete King—Verve MG V 2110

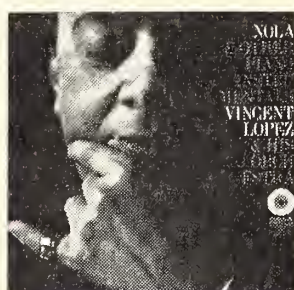

Currently attracting attention for her starring role in the "South Pacific" flick, Miss Gaynor bows in gracefully for her first disk outing. From her years of pic dancing and singing she has acquired a fine sense of timing and rhythm, engagingly cavorting on the up tempo numbers ("I Won't Dance," "Cheek To Cheek") and lovingly caressing the slow tunes ("The Nearness of You," "That Old Feeling," "I Only Have Eyes For You"). Her flick stint will hype sales.

"FLOATIN' LIKE A FEATHER"—Capitol T 1153 & ST 1153 (Monaural & Stereo)

"MUSIC FOR DREAMING"—Capitol T 1154 & ST 1154 (Monaural & Stereo)—Paul Weston and his Orchestra

Issued separately, these two Capitol LP's showcase the well-known easy manner of the Weston ork, which once again returns to Capitol. A lightly swinging sound is the feature on "Floatin' Like a Feather" while "Music For Dreaming" spotlights the string filled mood of the title. Each set consists of a dozen evergreens, with the melody always front and center. Both albums will keep Weston a favorite of the moodists.

"NOLA AND OTHER PIANO INSTRUMENTALS"—Vincent Lopez and his Orchestra—Carlton LP 12/302 (Monaural & Stereo)

Long a mainstay at New York's Taft Grill, the popular Lopez dance orchestra is heard on this Carlton outing in a lineup of its most requested numbers. Beginning with "Nola", the band's theme song and now a pop hit, Lopez' piano is showcased on "Body And Soul," "Kitten On The Keys," "Cheek to Cheek" and others, in a variety of dance tempos. Should go well with the more mature purchasers.

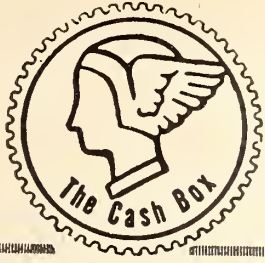

"MY SISTER AND I"—Glenn and Brenda Derringer—ABC Paramount ABC-274 & ABCS-274 (Monaural & Stereo)

This brother and sister team, accomplished masters of the organ at only 15 and 14 respectively, do amazing things with their instruments, producing sounds of an orchestra with special percussion and string units. Arrangements by Glenn bring out the many subtleties of their playing on a lineup of standards which includes "How High The Moon," "These Foolish Things," "This Can't Be Love" and "April in Paris." Of entertainment-sound interest.

"FOLK SONG KIT"—Elektra EKO-KIT

Elektra has produced a kit that includes a beginners guitar instruction course by Billy Faier on one side of the handsomely boxed disk, and selections from 20 favorite folk songs by Milt Okun on the flip side. Completing the package is a comprehensive manual graphically describing the course, a survey of American folk music by Lee Hays, photographs, source material, and song sheets. A do-it-yourself project that should be sought my many a folk loving fan.

Album Reviews

JAZZ PICKS OF THE WEEK

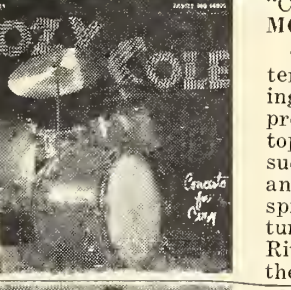

"NEWPORT 1958" — The Dave Brubeck Quartet — Columbia CL 1249 & CS 8082 (Monaural & Stereo)

At last year's Newport pilgrimage, one night was devoted to the monumental music of Duke Ellington. This set, recorded on-stage at the festival, is Brubeck's own tribute to Ellington, and consists of a modern rendering of music written by or long associated with the Duke. ("Jump For Joy," "Perdido," "C Jam Blues," etc.) Swing is the byword for this session and Brubeck, Desmond, Morello and Benjamin prove they're tops in this vein. The quartet always sells well.

"THE FOUR BROTHERS SOUND" — Jimmy Giuffre — Atlantic 1295

Outstanding tenor saxist Giuffre is the featured performer on this experimental multi-tracked disk. Four Giuffre's are heard as he accompanies himself quadrupally on one side to four original compositions and on the other side to five standards, which include "Come Rain or Come Shine" and "Cabin in the Sky." Assisting are Bob Brookmeyer, piano and Jim Hall, guitar. The experiment is highly successful as Giuffre demonstrates his virtuosity with his instrument. Big turnover to be expected here.

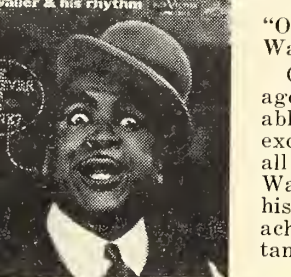

"CONCERTO FOR COZY" — Cozy Cole — Savoy MG 14010

Cole, who recently attracted national pop interest with his "Topsy" and "Turvy" single outings, returns to his natural habitat; that of providing solid, driving rhythm for a group of top-notch jazzmen. The drummer is flanked by such notables as Coleman Hawkins, Emmet Berry and Ben Webster as they swing through 13 spirited numbers, 5 penned by Cole himself. Other tunes include "Stompin' at the Savoy," "Old Man River" and "Body and Soul." Standard fare in the Cole tradition.

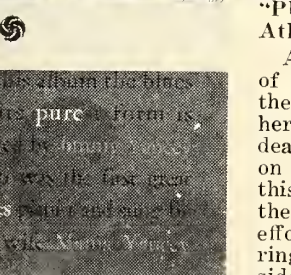

"SWINGIN' MY WAY THROUGH COLLEGE" — Maynard Ferguson — Roulette R-25058 — SR-25058 (Monaural & Stereo)

The Ferguson 13 piece aggregation, through its many college dates, has built up a sizeable following on the campuses. This set is dedicated to the band's collegiate fans, with the dancing beat a primary factor in the music. Although confined to dance tempos, there is no hesitation to swing, and this is done in the bold and brassy Ferguson manner. Primarily for the hoofers, the music is still highly acceptable listening fare for the jazz coterie.

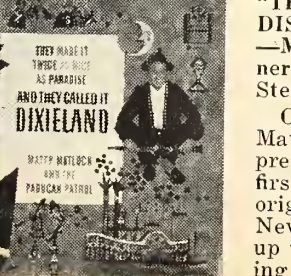

"ONE NEVER KNOWS, DO ONE?" — Fats Waller and his Rhythm — RCA Victor LPM 1503

Culled from vintage singles, Victor has packaged 16 tracks for another look at the indestructible music of Thomas "Fats" Waller. With the exception of two solo tracks from early 1941, all numbers were recorded during the 30's with Waller surrounded by the various members of his Rhythm. Another tribute to the greatness achieved by Waller in his short life. An important jazz outing.

"PURE BLUES" — Jimmy & Mama Yancey — Atlantic 1283

A major influence on the boogie-woogie school of music and considered by many to be one of the greatest blues pianists, Yancey is represented here by his last recording session before his death in 1951. Originally released by the label on two 10 inch LP's, new masters were cut for this repackaging. Bassist Israel Crosby provides the rhythm accompaniment for Yancey's solo efforts on side one, and for Mama Yancey's stirring blues warbling on the flip. Will be considered a jazz classic by many.

"THEY MADE IT TWICE AS NICE AS PARADISE AND THEY CALLED IT DIXIELAND" — Matty Matlock and the Paducah Patrol — Warner Bros. W 1262 & WS 1262 (Monaural & Stereo)

On this, their second LP for the WB label, Matlock and the Patrol continue their own interpretation of the history of Dixieland music. The first LP, "The Dixieland Story" presented the origins of Dixie, in the style of its birthplace—New Orleans. This set carries the music skillfully up to Chicago and its widespread acceptance during the twenties and thirties. Fine deck.

"MISS GLORIA LYNNE" — Everest LPBR 5022 & SDBR 1022 (Monaural & Stereo)

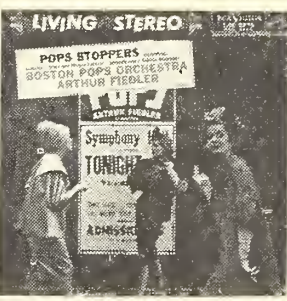

Backed by a group of first class jazz musicians which includes Wild Bill Davis, Harry Edison, Eddie Costa and Jo Jones, Miss Lynne makes her wax debut in a most impressive manner. Swinging through the likes of "April In Paris," "Perdido," "June Night," "Bye Bye Blackbird" and others, she is reminiscent of Sarah Vaughan, yet retains a good measure of individuality in her powerful voice. The newcomer offers serious contention for honors in the jazz singer field.

"THE OUTCAT" — Paul Knopf Trio — Playback PLP 500 (Stereo)

On this double bow—for both the label and the artists—the cover describes an "Outcat" as "an outcast and a far out cat." The music, composed, arranged, conducted and played by pianist Knopf, reiterates the title, as he and his cohorts ramble way-out through six unusual and excitingly refreshing compositions. Some weird musical sounds emanate from the disk but always prevalent is a driving, swinging beat, that carries the uniquely lyrical piano. Impressive intro disk should be well received by the jazz world.

CLASSICAL PICK OF THE WEEK

"POPS STOPPERS" — Boston Pops Orchestra, Arthur Fiedler conducting — RCA Victor LM 2270 & LSC 2270 (Monaural & Stereo)

Under Fiedler's skillful direction, the Pops orchestra embraces eight compositions that are semi-classical Boston Pops favorites, among which are "In a Persian Market," "The Skaters Waltz," "Lieberstraum," and "España Rhapsody." Wide classical and pop appeal is the aim of the work, and they achieve it by keeping the music moving in a spirited and light-hearted vein, never lapsing into too intricate interpretations. Wide appeal recommends this album as a staple shelf item.

SCHUMANN: Piano Concerto in A minor — Artur Schnabel, pianist — Joseph Krips conducting the RCA Victor Symphony Orchestra — RCA Victor LM 2256 & LSC 2256 (Monaural & Stereo)

Rubinstein displays his absolute mastery of the keyboard in this performance of the Schumann concerto, lending newly expressive brilliance to the already majestic opus. From a simple beginning the piece grows in intensity and vigor, maintaining always a deep richness of tone color. Although there are several other fine recordings of the work, including a previous Rubinstein-Victor disk, this one will fare well in the classical market.

CHOPIN: Etudes, op. 10 and 25 (complete); Andante Spianato and Grande Polonaise Brillante; Bolero; Berceuse — Louis Kentner, piano — Capitol-EMI GBR 7162

Twenty-four Etudes comprise three sides of this two-disk package. Kentner brilliantly demonstrates his world renowned technique on these combination exercises-tonal studies, faithfully reproducing the expressiveness that Chopin wrote into the Etudes. The fourth side is given over to three "miniatures", culled from different periods in the composer's life, exhibiting various aspects of his writing. Of major importance for the classical market.

MOUSSORGSKY: "Boris Godounov" — Boris Christoff, Choeurs Russes de Paris, Orchestre National de la Radiodiffusion Francaise conducted by Issay Dobrowen — Capitol-EMI GDR 7164

Four disks comprise this Rimsky-Korsakov orchestrated version of Moussorgsky's opera. Basso Boris Christoff, in the title roll (and two minor parts), gives magnificent credence to his portrayal of Tsar Boris. This is the fourth waxing of the opera, yet sufficient demand remains for this Capitol set to garner a large chunk of the sales.

AF's First Component Series Chi Debut

CHICAGO — Sidney Frey, globe-girdling president of Audio Fidelity Records premiered the firm's new First Component Stereo Series of classical records March 10, at the Guild Hall of the Ambassador West Hotel in this city.

The event opened in the afternoon with a cocktail party for the press and was terminated in the evening with a buffet supper for dealers of his area. Frey was assisted in his presentation by John Ridely, national promotional manager for Audio Fidelity Records and John Mosely, chief engineer; and Tony Galgano and Reuben Lawrence of Record Distributors, Audio Fidelity's local distributor.

During the presentation, the ultrawank Guild Hall was rocked with the very sensitive, extremely authentic stereophonic chords emanating from the records. Frey kicked off the entire proceedings by briefly summarizing Audio Fidelity's fantastic growth within the past 4½ years. He stressed the fact that the firm's success with the Audio Fidelity series of true high-fidelity recordings made it possible for him to invest a huge sum of money to record this highly technical classical series in England.

"We can say," Frey stated, "that many of our artists including the Dukes of Dixieland, Al Melgard, Johnny Puleo, and many of our other artists have in some way paid for this series."

"Naturally," he continued, "we spared no expense to make our First Component Stereo Series of classical albums the finest available in the world today."

Frey stressed the fact in his discussion that it is advisable for the consumer to utilize the best possible stereo equipment available for true

Frank Gets Play Music

NEW YORK—Frank Music Corp. today announced it has acquired the music composed for the hit Broadway plays "J.B." and "The Rivalry". David Amram is the composer for both productions.

"J.B." written by Archibald MacLeish and directed by Elia Kazan and "The Rivalry" written by Norman Corwin.

One of Frank's subsidiaries, Saunders Publications, also publishes the music composed for the recent William Saroyan play "The Cave Dwellers", music by Bernardo Segall along with the musical theme written by Bernard Green established in the Norman Krasna comedy "Who Was That Lady I Saw You With?"

reproduction of the recordings; although an acceptable rendition would be achieved with ordinary stereo equipment.

Audio Fidelity's First Component Series includes the following albums: Stereo Test Record by the Virtuoso Symphony Orchestra of London, which is featured on all of the albums in this series; Marches from Operas conducted by Arthur Winograd; Tchaikovsky Symphony VI (Pathetique) in B Minor-Opus 74, conducted by Alfred Wallenstein; Russian Composer Masterpieces conducted by Arthur Winograd; Ravel's "Bolero", Bizet's "Carmen Suite" conducted by Alfred Wallenstein; Strauss Waltzes conducted by Emanuel Vardi.

Frey stated that the reason for producing the stereo test record was for the consumer to play it on his sensitive equipment for range, in view of the fact that if true reproduction is achieved in this LP (which is 2 decibels higher than the others) then it can be easily assumed that the other five records will give peak reproduction.

Credit for the excellent stereo reproduction of these albums was given to Emanuel Vardi, a world renowned conductor of his own right, who supervised the orchestral arrangements and assisted conductors Alfred Wallenstein and Arthur Winograd.

"We should like to announce," Frey concluded, "that we recently signed Louis Armstrong for a series of recordings. One of which will be Louis Armstrong with the Dukes of Dixieland. Louie has been a great favorite internationally for many years and we will go all out to make this series one of the most popular throughout the nation and overseas."

Design & Stereo Spectrum To Be Sold Thru Acme News

NEW YORK—Cy Leslie, president of Pickwick Sales, merchandising arm for Design, Stereo Spectrum, Cricket and Off Broadway Records, announced last week that the \$1.49 Design LP line and the \$2.98 Stereo Spectrum label will now be sold through Acme News.

Lewis Elson, president of Acme News and its subsidiary Acme Record Distributing, stated that under the terms of the agreement he had signed with Leslie, the two lines will be offered to Acme's more than 600 local wholesalers throughout the country. Where the records are already being offered, the Acme representative will not attempt to sell. "This will avoid any danger of price-wars or infringement on present distributorships," said Elson.

Leslie commented, "This new arrangement will put the two labels into the most diversified sales areas in the record business."

Big 3 Big In Hollywood

NEW YORK—With the Academy of Motion Picture Arts and Sciences nomination of "A Certain Smile" as "Best Song," The Big 3 Music Corporation continues its record of being represented in the celebrated Oscar race for 22 consecutive years. At least one Robbins, Feist or Miller song has been nominated each year since 1936, two years after the founding of the Academy. During this period, a total of 34 Big 3 tunes have been nominated and 5 have won the big award. In the "Best Score" categories, the firm also has a streak going via its consistent representation for some 21 years. During this period, Big 3 chalked up some 67 "Best Score" nominations and won 10 final awards. In the present Oscar race, Big 3 is represented again in "Best Score" categories via "Mardi Gras" and "The Young Lions."

Big 3 tunes that have copped an Academy Award are: "Over The Rainbow" from "The Wizard Of Oz" (1939); "The Atcheson, Topeka And The Santa Fe" from "The Harvey Girls" (1946); "High Noon" (1951); "Three Coins In The Fountain" (1954) and "Love Is A Many-Splendored Thing" (1955). Mercury Stereo Plan

CHICAGO — Mercury Records Corporation is this month going "all out" on its new stereo Save-o-rama Plan. Designed to encourage the public's swing to stereo, the Save-o-rama enlarges on the company's former sales plans, including last year's monaural save-o-rama and their recent "Operation Papoose," by offering a three-channel approach: Buying stimulation to the consumer, increased profit and sales potential to the distributor and retail dealer.

Mercury's Stereo Save-o-rama, which will be in effect at all dealers allows the consumer to purchase one Mercury stereo record at the regular price of \$5.95, and at the same time, to buy a second stereo record for \$1.00. The plan has been so conceived and worked out that the "shock" is absorbed by the manufacturer, the dealer works on his regular full mark-up while benefiting from the increased traffic and sales.

Stereo Save-o-rama is being backed by the company with a program of specially designed and colorful display panels and window streamers, brochures, and "Tag On" display devices.

Says Morris S. Price, sales director for Mercury: "In staging Stereo Save-o-rama at this time we feel that we are conducting an operation which, if the success of our former sales plans is any criterion, will benefit the entire sound industry by calling attention to the exciting new medium of stereo in a dramatic and stimulating manner."

Bernie Wayne To Imperial

NEW YORK—Conductor-composer Bernie Wayne has been pacted to Imperial Records, it was announced last week. Wayne's first Imperial release is "The Whistling Pixie", which Wayne clefted. Victor High On Simms

NEW YORK—RCA Victor is very high on the star prospects of newcomer Jerry Simms. The diskery rushed out a single, last week, cut from a bought master, "Dancing Partners" and "Dancing With A Memory".

The 21-year-old composes his own material among which is "To Every Girl, To Every Boy", clefted when he was 15. Jerry, who works in Bond's Clothing Store, on Broadway, will be leaving shortly on a three-week deejay trip, promoting the disk around the country.

United Telefilms, Ltd. is a Canadian corporation which distributes for Canada the Warner Brothers film catalog of some 750 odd pictures for television in Canada. United Telefilms, Ltd. also distributes the Popeye series and other cartoons.

The group behind United Telefilms, Ltd. can be remembered as the ones who purchased the Warner Brothers film library for over 21 million dollars.

Under the terms of the agreement, Craft was elected President for a term of five years. He will be in complete charge of the entire record company operation. He will also serve on

the board of directors with Martin J. Machat, who is secretary and general counsel to the record firm.

Cass stated that with Craft's wealth of experience in the recording field added to the backing and financing of United Telefilms, Ltd., the diskery should emerge as a major factor in the record business.

United Telefilm's Records' offices were opened at 701—7th Ave., New York City. Craft has already set up his distribution organization consisting of 38 distributors. The record company will have two labels, namely, Tel Records and Warwick Records. Craft is currently negotiating with top record personnel to fill his staff.

MGM "Gigi" Contest

NEW YORK — Working on the theory that the nomination of "Gigi" for nine Academy Awards will win the film one or more "Oscars", MGM Records has prepared a special Academy Award Contest for distributor salesmen based upon sales of the diskery's original cast soundtrack set. The contest begins March 15th and will run through May 6th, the latter date one month to a day after the "Oscar" presentations.

Three prizes, to be awarded on the basis of a weighted market average rather than on overall numerical totals, consist of a \$325.00 LeCoultre wristwatch, a \$275.00 Wollensack stereo tape recorder and play back system, and a \$110.00 Longine wristwatch. Special surprise prizes will be awarded distributors employing each of the prize-winning salesmen. Sales showings will be judged by Charles Hasin, MGM's national sales manager, and Eddie Heller, in charge of special album promotions. Winners will be announced May 16th.

Promotional and display material will accompany contest sales kits being mailed to individual salesmen's homes. These include a special Academy Award album wrap-around for the soundtrack set; detailed playdate information sheets on the film for tie-ins with the picture's bookings; mailing pieces, streamers and special order pads.

The "Gigi" album, according to the diskery, has passed the half-million mark in sales and this contest is the opening gun in a campaign to bring the total to the full-million level by the end of May.

R & B Reviews

A AWARD & SLEEPER B+ EXCELLENT B VERY GOOD C+ GOOD C FAIR D MEDIOCRE

"Only those records best suited for commercial use are reviewed by THE CASH BOX"

The Cash Box Award o' the Week

"A LONG TIME" [Volunteer BMI—Brown, Paterno]

"ALL RIGHT NOW" [Planemar BMI—Brown, Paterno]

NAPPY BROWN (Savoy 1562)

● Nappy Brown follows his current national r&b click, "You're Gonna Need Someone", with another powerful entry that'll more than likely be its chart replacement. The tune, "A Long Time", is a slow, steady beat romantic blueser from which Nappy wrings out every ounce of emotion. Not to be overlooked is the inviting lover's opus, "All Right Now", that Brown rocks out on the flip. Sock coupler.

"BE CAREFUL WITH MY LOVE" (2:08) [Gibraltar BMI—Dawn, Evelyn]

"I NEED YOU SO MUCH" (2:05) [Gibraltar BMI—Robinson, Branch]

JIMMY BARNES (Gibraltar 102)

● Jimmy Barnes, whose Gibraltar debut, "No Regrets", developed into a national r&b chart item could make it two-in-a-row with his heartfelt waxing of "Be Careful With My Love". And Jimmy's top drawer, rock-a-ballad vocaliskenics are treated to a most effective vocal assist by the Gibralters. Under portion is another strong romantic pleader dished up in a similar, heavy-hearted fish-beat reading by Jimmy and the group. Watch 'em both.

"THERE IS SOMETHING ON YOUR MIND" (3:05)

[Mercedes BMI—McNeely]

"... BACK ... SHACK ... TRACK" (2:32)

[Mercedes BMI—McNeely, Warner]

BIG JAY McNEELY'S BAND (Swingin' 614)

● Looks like the new label's gonna be swingin' in the big money category in the near future. "There Is Something On Your Mind" is the tune and Big Jay McNeely's Band, with Little Sonny on the vocal end, are the artists that'll turn the trick. It's a potent piece of fish-beat material with that two-market look. Stick with it. Under end is a contagious rock 'n roll handclapper on which Jay and the McNeely crew blend in coin-catching fashion. Both lids are tailor-made for the hoofers.

"ANSWER ME" (2:39) [Wemar BMI—Turner]

"RETURN OF STAGOLEE" (2:36) [Jay & Cee BMI—Toombs, Glover]

TITUS TURNER (King 5186)

● This rock-a-ballad romantic pleader from the James Brown—"Try Me" school could plaster Titus Turner's moniker all over the dual-mart popularity charts in the weeks to come. Labeled "Answer Me", it's treated to a splendid, chorus-backed vocal effort by Turner. Also look for big chart excitement to come from the under end, a continuation of the "Stagger Lee" story. Could be a smash coupling.

"I NEED YOUR LOVE TONIGHT" (2:04)

[Clayds ASCAP—Wayne, Reichner]

"A FOOL SUCH AS I" (2:36) [Leeds ASCAP—Trader]

ELVIS PRESLEY (RCA Victor 7506)

"THAT'S WHY" (2:05) [Pearl BMI—Gordy, Jr., Carlo]

JACKIE WILSON (Brunswick 55121)

"ALMOST GROWN" (2:21) [Arc BMI—Berry Music]

"LITTLE QUEENIE" (2:36) [Arc BMI—Berry Music]

CHUCK BERRY (Chess 1722)

● Look for these to make a big dual-mart impression. (See pop reviews).

NIE LAURIE
(Luxe 6182)

"SINCE I FELL FOR YOU" (2:12) [Advanced ASCAP—John-] The old ballad gets a tender working from the songstress, hand-in a touching reading of a set romantic words. Disk could stir loads of attention.

"LOST LOVE" (2:36) [Wisto BMI—Laurie] The tempo picks to a fast pace as the gal, getting drawer unbilled vocal and instrual assists, demonstrates her out-ding singing talent. Two-sided ner.

BIG BOB DOUGHERTY
(Golden Crest 517)

B+ "SQUEEZER" (1:59) [Gornston SESAC—Dougherty] This rock-in', middle beat instrumental, with words thrown in a la "Tequila", could kick up a sales' storm. Honkin', front and center sax.

B "HONKY" (2:21) [Gornston SESAC—Dougherty] The Dougherty band pulls out all the stops on this one, with the big sax leading the way. Group offers contention for band honors.

LLOYD PRICE
(Specialty 661)

B+ "LAWDY MISS CLAWDY" (2:20) [Venice BMI—Price] This years-ago, self-penned, r&b click has been re-mastered by Specialty for re-release. The label could cash in on the national, dual-mart money with this side by Price, who is a red hot, r&b and pop artist.

B "MAILMAN BLUES" (2:08) [Venice BMI—Price] The under-side is also an old Price-penned tune. It's an up-tempo, rocking blues number that the songster carves out handily.

LORELEI LYNN &
THE SPARKLES
(Award 128)

B+ "BOBBY" (2:11) [Bayside BMI — Baumgartner] Lorelei Lynn and the Sparkles intro with a teen-styled, boy-titled, romantic pleader. It's a medium beater that bears close watching.

C+ "ROCK-A-BOP" (2:02) [Bayside BMI — Baumgartner] This side starts with a mambo beat and then swings into an infectious, rapid-paced rocker that the kids'll also take to. Frantic offering.

JIMMIE LESTER
(Canon 224)

C+ "OH! BARBARA JEAN" (2:33) [Gay BMI — Lester] Jimmie Lester flips over his gal on this up-tempo, piano-pounding, gal-titled opus.

C+ "GRANNY WENT ROCKIN'" (2:36) [Gay BMI—Lester] Lester picks up the tempo a little, and does a similar turn as on the top half. Two good dance sides, that should attract juke coin.

JIMMY BECK
(Champion 1002)

B+ "PIPE DREAMS" (2:10) [Babb BMI—Bubis] Jimmy Beck and his ork give out with some solid rockin' cha cha sounds on this straight instrumental slicing. Good fare for the boxes.

C+ "BLUE NIGHT" [Babb BMI—Beck] The ork goes way 'down home' for this slow-paced, funky blues number. After-hours mood is set here.

THE SENATORS
(Bristol 1916)

B+ "SCHEMING" (2:21) [Kenrose BMI — Croxton, Hedelius] The label could have a big hit on its hands with the Senators offering of a quick moving, mambo-beat charmer. First rate vocalizing gets an added assist from the fine instrumental sounds.

B+ "TAFU" (1:55) [Kenrose BMI—Bridgeman] Tafu's the gal that drives 'em crazy on this fast paced lover's opus. The group has a sound that could attract attention.

CHARLES HARGRO
(Dab 101)

B+ "OVER AND OVER" (2:36) [Wemar BMI—Fonville, Hernandez] The deep-toned Charles Hargro could kick up chart fuss with this up tempo romancer, not to be confused with last year's chart-rider.

B+ "BABY OH BABY" (2:42) [Wemar BMI—Fonville, Hernandez] Under-deck has the full throated songster caressing a set of loving words in slow ballad tempo. Writer Fonville's ork supplies the music on both ends.

LITTLE ESTHER
(Savoy 1563)

B+ "ITS SO GOOD" [Savoy BMI—Jones] Little Esther could move back into the disk spotlight with this quick beat, happy-go-lucky romantic tune, that she waxes invitingly.

B+ "DO YOU EVER THINK OF ME?" [Savoy BMI — Mitchell] On this lazily paced heartbreaker, the thrush continues her tasty warbling in a style reminiscent of Dinah Washington. Title not to be confused with pop standard. Either side could move out for her.

JOHNNY (GUITAR) WATSON
(Class 246)

B+ "THE BEAR" (2:30) [Recordo BMI — Watson] Watson recites the tale of his comical run-in with a bear on a novelty, jet speed rafter-shaker. Could make chart news.

B "ONE MORE KISS" (2:25) [Recordo BMI—Watson] Under lid slows down to middle beat for some more shoutin' by Watson, this time in the romance category. Good companion piece.

EFFIE SMITH
(Spot 103)

B+ "DIAL THAT TELEPHONE" Part I (2:23) [Aries-Aladdin BMI — Griner, Smith] On the phone with her friend Mabel, Effie Smith recounts her marital troubles in this all recitation effort. Organ and drum backdrop supply the slow steady beat.

B+ "DIAL THAT TELEPHONE" Part II (2:21) Continuing the sad story of Ruby Lee, this side finds everyone getting into the act. Even includes a fight between the married couple. Off beat novelty deck that should get big deejay spins and could move way out in the R&B dept.

JOHN LEE HOOKER
(Vee-Jay 308)

B+ "MAUDIE" (2:33) [Conrad BMI—Hooker] Hooker hands in a self-penned, low-down blues number on which he moans the loss of his chick. Fine guitar strumming on this middle beater.

B "I'M IN THE MOOD" (2:40) [Modern BMI—Hooker] On this side Hooker turns in another good blues reading. Strong, southern-teritorial coupling.

THE CASH BOX BULLSEYE

"THAT'S THE WAY IT'S GOTTA BE" (1:54)
[Lancaster BMI—Drusky]

"WE'RE TALKING IT OVER" (2:00) [Lancaster BMI—Kilgore, Young]
FARON YOUNG (Capitol 4164)

● Make room on the c&w lists for two more sides by Faron Young. The chanter's last Capitol pairing, "A Long Time Ago" and "Last Night At A Party", is still very much in chart favor. The new twosome, "That's The Way It's Gotta Be", an inviting, quick beat romancer, and "We're Talking It Over", a tearful, slightly up beat love affair, should be up there in no time flat. Two more 'feathers' in Young's 'hit cap'.

"LOVE ME BABY" (1:59) [Spook BMI—Rainwater]

"THAT'S WHEN I'LL STOP LOVING YOU" (2:08)
[Spook BMI—Rainwater]

MARVIN RAINWATER (MGM 12773)

● One of the big, all-market rock-a-billy items that we should be hearing a lot about in the near future is a Marvin Rainwater product labeled "Love Me Baby". It's a self-penned delighter that Marvin dual-tracks with an infectious glee. On the under cutting, an original up beat charmer dubbed "That's When I'll Stop Loving You", the chanter pledges his eternal love for the gal. Attractive coupler.

"KAW LIGA" (2:12) [Milene ASCAP—Rose, Williams]

"NEVER LOVE AGAIN" (2:10) [Acuff-Rose BMI—Kershaw, Kershaw]
RUSTY & DOUG (Hickory 1095)

● Rusty & Doug are back again with another powerful bid for chart honors. This time out the boys revive "Kaw-Liga", the Hank Williams click of awhile back. It's the fetching tale of the cigar store indian wrapped up in attractive vocal and instrumental fashion. Solid sales potential, country and pop-wise. Flip is a very pretty, dual-mart slow cha-cha romancer dubbed "Never Love Again". Wiley Barkdul neatly assists on the "Kaw-Liga" take.

"I NEED YOUR LOVE TONIGHT" (2:04)
[Gladys ASCAP—Wayne, Reichner]

"A FOOL SUCH AS I" (2:36) [Leeds ASCAP—Trader]
ELVIS PRESLEY (RCA Victor 7506)

● Two more Presley 'all-market automatics'. (See pop reviews).

THE ALLISON SISTERS
(Blue Hen 232)

B "THERE IS A TIME" (2:10)
[Vokes BMI—Allisons] The sisters bow in for Blue Hen with a light-hearted, slightly up tempo romancer. Grade "A" harmony could help take the disk for a healthy sales ride.

C+ "STRONG CHORDS OF LOVE" (3:00) [Vokes BMI — Allisons]
The canaries resume their harmonizing on this end, slowing down to an middle beat pace to chirp about undying love.

LINDA LYNNE
(Rural Rhythm 513)

B "THE WALTZ I CAN NEVER FORGET" (2:20) [Sage Brush BMI—Cordle] Jack Tucker and his Oklahoma Play Boys provide the waltz tempo backdrop for the thrush's pleasant warbling. Lyric concerns her last dance with her ex.

B "PLEASE BE MINE" (1:45)
[Sage Brush BMI — Whitlock] Tucker and his Boys change the tempo here, as the gal goes racing through a cute set of words that could attract attention. Either side can catch coin.

JOE HUDGINS
(Decca 30854)

B+ "WHERE'D YOU STAY LAST NIGHT" (2:31) [Be-Are BMI—Hudgins] There's a sock instrumental background for Joe Hudgins' effective dual-track wailing on this steady-driving money-maker for the boxes.

B "IT'S HARD TO GO HOME" (2:30) [Be-Are BMI — Hudgins]
This side, Joe slowly and softly pours his heart out as he tries to decide on which chick to choose.

RAY GUYCE
(Brite Star 747)

C+ "PLEASE DON'T SET ME FREE" (2:45) [Starday BMI—Guyce] Guyce's first turn with the recently formed Brite Star label finds him softly piping a self-penned, slow-paced lament.

C "LONESOME GUITAR" (2:55)
[Starday BMI—Guyce] Flip side, Little Jo, Guyce's wife, gets equal billing on a slow-moving part-duet item. The Lonesome Valley Boys back up on both ends.

CHUCK GODDARD
(TNT 163)

B+ "LIVING MYSELF TO DEATH" (2:26) [TNT BMI — Anderson]
Goddard claims that he's goin' to 'paint the town red' on this sprightly up-tempo toe-tapper. Light-hearted lyric and tune that could swing lots of sales.

B "A NEW HEART TO BREAK" (1:39) [TNT BMI — Goddard]
Here Chuck concerns himself with a love opus. Slightly up-tempo beat coupled with a fetching set of lyrics could make this a chart affair.

RUSTY YORK & WILLARD HALE
(Starday 423)

B "DON'T DO IT" (2:10) [Starday BMI — Skinner] The boys race along, with the fiddles and banjos, handing out advice about not two-timing your gal. A pure country cutting.

B "THE LOCK ON YOUR HEART" (2:14) [Starday BMI — York, Hale] Another fast moving bluegrass waxing that has the songsters pleading for a chance at romance. Two good slicings for the hill mart.

FLOYD BRADFORD
(Logan 3107)

C+ "LOST LOVE" (2:25) [Gaylord BMI—Bradford] The Cedar Valley Boys provide the quick paced fiddle backdrop while Bradford sings about his broken romance in a duet with an unbilled male vocalist.

C+ "SEARCHING FOR A PINK STAR" (2:29) [Gaylord BMI—Bradford] Bradford and the Cedar Valley Boys slow down on this side and hand in an easy-paced, ballad.

CARL BLANKENSHIP
(Razorback 105)

B "I'D LIKE TO SET YOU TO MUSIC" (2:17) [Razorback BMI—Barnett, Kelly] Blankenship wants to sing about his love, on this tuneful, slightly up-beat romancer. Should get its share of the spins.

B "I CAN'T LIVE TO SEE TOMORROW" (2:51) [Acuff-Rose BMI — Tilton, Sigenthaler] The flip side has Blankenship mournfully wailing about his broken heart, on a multi-tracked, middle-beat, lover's opus.

JOHNNY NELSON
(Up Town 757)

B+ "ALVIN AT THE CRAWDAD HOLE" (2:55) [Bayou State BMI—Seman] Tune is the familiar "Honey Babe" Army march song fitted with new words, and featuring a speeded up "chipmunk" voice. This lively, up tempo novelty can bite off a sizeable sales chunk.

C+ "I'D RATHER LOSE YOU" (2:45) [Bayou State BMI—Seman, Adison] Nelson hands in a straight, middle beat, heartbreaker on this side, singing about his bust-up with his wife.

BUDDY MEREDITH
(Cullman 6411)

B "LET ME KNOW" (2:07) [Gaylord BMI — Meredith, Sterli] Buddy Meredith and the Dakota C boys tackle this medium paced mantic item, telling the gal that t still want her even tho the roma is over.

B "TEARS" (2:12) [Gaylord BMI — Meredith, Blevins, Steele] Meredith and the boys continue the same easy pace, turning in another te drenched lament.

DICKIE MAULDIN
(Tagg 502)

B "FALLING IN LOVE AGAIN" (2:14) [Tune BMI — Taylor] Sprightly up tempo beat sets the pace. Mauldin's lighthearted singing of tasty lyric. Cute effort that could catch on.

B "SEE HOW YOU STAND" (2:14) [Tune BMI — Joiner] The p remains the same but Mauldin g religious on this side. Carl Saucema Green Valley Boys assist instrumentally and vocally on both ends.

JIM EANES
(Starday 426)

B+ "ORCHIDS OF LOVE" (2:14) [Starday BMI — Eanes] Eanes and his Shenandoah Valley Boys d up a pretty side that could cash big. It's a slightly up tempo lilter t tells about the guy's love for the g

B+ "ROAD WALKED BY FOOT" (2:15) [Starday BMI — Eanes] The tempo picks up a little here, Eanes and the Boys switch to a s set of lyrics words. Excellent couple that could find either side moving o

DON RENO & RED SMILEY
(King 4212)

B+ "BRIGHTER MANSION OVER THERE" (2:17) [Lois BMI—Reno, Smiley] Reno and Smiley tol the virtues of regular church attendance, on this bright, fast pace spiritual. The well-known group tu in another first class harmony job

B+ "KEEP ME HUMBLE" (2:14) [Lois BMI — Reno Smiley] A other splendid religious item by Reno and Smiley taken, here, for a sligh up beat ride.

THE STATESMEN
(RCA Victor 7476)

B+ "LIGHT OF LOVE" (1:45) [Singleton BMI — Singleton] T Statesmen, with the front and cen voice of Hovie Lister, turns out joyous, up tempo spiritual that sho have everyone handclapping and sir ing along. Will score heavily.

B+ "UNTIL YOU FIND THE LORD" (2:17) [Faith SESA Green] Deeply inspiring piece begi very slow and perks up midway. Fi vocal sounds with a touch of the I Spots. Superb double-decked religio fare.

Country Round Up

Congrats are in order for KCUL-Ft. Worth, Texas' "Cowtown Hoedown", which celebrated its 1st Ann'y, 3/2. Brunswick's Roland Johnson and Star-day's Frankie Miller were on hand to aid in the festivities.

Rita Faye, under the managerial wing of Hal Smith's Curtis Artists Pro- ductions of Nashville, will soon wax for Smith's Cullman label. Hal adds that Hank Snow and Mac Wiseman were recent guests on the new Ernest Tubb network show from his record shop. Ernest and Ray Price are there each week along with special guest stars. Another artist in the Smith fold, Skeeter Davis, is making deejay noise with her Victor press- ing of "Set Him Free". Copies'll be sent out to jocks if they write to Gaylord Music at 4705 Gallatin Rd., Nashville, Tenn.

RITA FAYE

Tillman Franks advises that the KWKH-Shreve- port, "Louisiana Hayride", moves Sat., 3/14, from the City Aud. to its new location at the La. State Fair- grounds where there's plenty of parking space. Tony Douglas and the Farrell Bros. are set for an appear- ance that nite.

The Louvin Brothers were signed by the Jim Denny Artist Bureau, 2/27, to an exclusive manage- ment contract. Charlie and Ira asked that anyone interested please contact either Denny at Alpine 6-5558 or Lucky Moeller, Chapel 2-6679 in Nashville. A package of entertainers consisting of Minnie Pearl, Bobby Helms, Jean Shepard, Hawkshaw Hawkins, Red Sovine, Bun Wilson and the Echo Valley Boys will work under the promotion and direction of the Denny Bureau, start- ing 3/16 for approximately 30 days in the northwest.

Capitol's Sonny James makes his 3rd p.a. on the KABC-TV-Hollywood Nat Nigberg show, "Country America" next week. Nat's lovely wife, Mary, was reported to have turned down a movie pact.

Johnny Dollar, KDET-Center, Texas' program director, notes that Mer- cury's James O'Gwynn recently dropped by for a chat and a taped interview. James' latest release couples "How Can I Think Of Tomorrow" and "Were You Ever A Stranger". Dollar, incidentally, has added 30 minutes to each of his c&w music shows and could use more biscuits.

"Curley" Williams, who runs the WMIL-Milwaukee, Wisc. "Ranch- house Roundup" show, infos that Columbia's "Little" Jimmie Dickens, recently took the town by storm when he appeared for a 3-day stint at Ricky's Double "R" Ranch. Curley was on the bill along with Jimmy and the Double "R" Ranch Boys. The "Jubilee's" Suzi Arden was set for the 3/6, 7, and 8 weekend.

BUCKY BENSON

Slim Watts, KTRM-Beaumont, Texas, reports that Jimmy Newman, George Jones and Jim Reeves are included among the stars who have pulled full houses for the Thurs. guest nite shows at Yvonne's Club. "The Cash Box Top 100" NOW IDENTIFIES Hits Available in Stereo — See Pages 3 & 4

A few weeks ago we commented on the amazing strides of stereophonic music. Since that time progress continues unabated, both in the production of records and in the education of the general public.

For a number of months now, the Lawrence Welk TV show has been promoted to the listening public as a means of listening to stereo sound—keep the TV show on, and in conjunction with it, turn on the radio. On Saturday night (February 28), the top TV show on the air, Perry Como, used the same method for three quarters of the show. Announcements were made all thruout the entire week. When stereo music reaches these heights, it means that the many millions of listeners are being educated to the wonders of stereo sound.

While the music machine industry, thru the introduction of stereo juke boxes, is practically laying the groundwork for the expansion of the sale of stereo records, these network programs accomplish a tremendous chore by whetting the appetites of the millions of record buyers and juke box patrons.

The problem of the juke box operator in programming his stereo phonographs, because of limited supply of stereo records, is being overcome with great rapidity. With the passing of each week, more and more stereo records, both single and ep, are becoming available. Since *The Cash Box* started to record and print every week, a list of stereo releases, more than 145 stereo singles, and 85 stereo ep's have become available. Not only in volume, but in appeal value

thru the feature of top recording artists and pop current tunes—those whose popularity brings in coin to the music machine.

It is interesting to note that even the manufacturers of stereo juke boxes are more than excited over the acceptance of stereo music machines. Executives of these firms had expressed the hope of selling stereo equipment at its inception to a certain extent, but as their distributors exploited the value of stereo machines to their operator customers, and as these customers installed them on location, the demand for stereo machines kept increasing. Operators advise that patrons buy stereo music at a greatly accelerated pace, and that wherever an installation had been made, collections show a wonderful increase. Certain operators report that because of stereo music, they had set their machines at 15¢—2 for 25¢. They acknowledge that the 15¢ price is due to the novelty of the stereo music, but it all adds up to increased volume.

The one remaining problem is to be able to buy stereo singles in sufficient quantity. With the passing of each day, this problem will be overcome, as record manufacturers are producing more and more of them.

Among the many singles now in circulation, operators have a choice of top recording artists and current hit tunes.

Always on the lookout for its readers' interests, *The Cash Box* institutes a new service with this issue. (See editorial in Music Section). All records listed in "The Cash Box Top 100" from now on will indicate if they are available on stereo.

PUBLIC RELATIONS AT WORK

Rockford, Ill. Newspaper Runs Feature Front Page Story On Actual Juke Box Conditions

Lou Casola's Favorable Interview Reported

LOU CASOLA

ROCKFORD, ILL.—The value of public relations was vividly demonstrated last week in this area. For the past number of years, operators here, under the leadership of the well-known and popular Louis Casola of Mid-West Distributing Company, have cooperated with the "March of Dimes" campaigns in which juke boxes were the collection instruments for "A Day of Dimes for The March of Dimes". Some very substantial contributions have been made over the years. And, because of these efforts, Casola and his fellow operators in the area have received considerable newspaper stories and pictures commending them.

The newspapers in the past several weeks have been printing many unfavorable stories about the alleged hoodlumism in our industry and these stories have been run indiscriminately without giving the majority of members a chance to defend themselves. However, in the Rockford area, because of the established honorable reputation of Lou Casola and his fellow operators, the editor of the Rockford Register-Republic, before running into print, contacted Casola (had to phone him in Miami) to ask questions.

The results of the interview were reported on the front page of this newspaper in a banner 8-column headline. The story, together with Casola's picture, ran three full columns on the front page, and 2 more columns on page 2. The long story did much to overcome some of the terrible damage done by those other unthinking and sensational seeking reporters who have been reporting the McClellan hearings—especially in the territory where Casola and the other firms conduct their operations.

Casola emphasized conditions in his area with a statement reprinted in the lengthy story; "In Winnebago county, the juke box business is a legitimate industry, and we are as interested as anyone else in keeping the hoodlums out."

Lou writes The Cash Box: "It is a very fair representation of the case and we have received many compliments as a result of it."

National Restaurant Association's "Restaurant Business Increase" Program Shows Signs Of Success

Set Promotion Example For Ops

NEW YORK — The most recent example of promotional efforts, on the part of those industries connected with the restaurant and tavern business, designed to stimulate interest and result in larger crowds frequenting local dining-out places, was announced this week by Standard Brands Incorporated, this city.

On behalf of the National Restaurant Association's "Restaurant Business Increase" program, RBI Standard Brands is currently distributing an attractive full color "table tent" card that uses a modified cartoon treatment to promote the slogan: "She Deserves To Eat Out At Least Once A Week!"

Standard Brands has been distributing this promotion piece since the inception of the program and the cumulative impact of hundreds of thousands of those eye-catching sales builders has undoubtedly made itself felt on the eating-out public.

Of course, this program is on a national level, but it emphasizes the point that The Cash Box has stressed for many years. All operators connected in any way with locations of this type, should do their utmost to promote business within the location-establishments. We have pointed out that a two-fold advantage results—any promotion directed at patrons of eating places will eventually increase the business in that particular location and in increasing the business both the operator and the location owner benefit.

In the case of Standard Brands Incorporated, the promotion material used is actually a simple, but attractive idea, designed to reach everyone coming into the restaurant. Similar advertising and promotion ideas can be prepared, if not by the operator himself, by his local printer or advertising agency for a minimal cost. Promotion pieces advertising the juke box that is available and also the hit tunes can stimulate play. Tournament features available on a bowler or shuffle alley will at least get the patron to read and take notice of whatever equipment the operator has in the location.

A recent story in The Cash Box told of the operator who split the costs with a location owner on a "bar snack" feature, whereby patrons enjoyed the age-old free-lunch specialty, changing the special each day from cheese and crackers to chinese food, etc. The idea brought more customers into the location and increased the sale of beer, juke box play and led to a larger "regular" crowd stopping in at the establishment.

Each location is known best by its operator. He can decide what type promotion suits the location best. For a glimpse of what the Standard Brands "table tent" looks like, turn to page 68. Perhaps you can come up with your own "location promotion idea".

Professor Of Business

Administration Advises:

Business Men Should Push For Liberalization Of Depreciation Allowances

NEW YORK—As reported in the March 7 issue of The Cash Box, many industries and businessmen throughout the nation are beset with the problem of inequitable and long-time depreciation methods now permitted by the Internal Revenue Department, as are those in the coin machine business.

At a meeting of the Society of Business Advisory Professions this week, William A. Paton, professor of accounting at the School of Business Administration of the University of Michigan stated "Business men should push in every way possible for liberalization by Congress of depreciation allowances on machinery and equipment, which would benefit small enterprise more than big business."

Dr. Paton said the present depreciation schedules "have a stranglehold on the expansion of the United States economy."

As is known, coin machine operators of music machines and amusement machines are using any number of

methods in depreciating their equipment. The methods being used, we are advised, if accepted by the district office of the Internal Revenue Department over the years, becomes precedent, and the department, regardless of whether the method is good or bad, invariably insists it be continued.

Like other industries, the coin machine industry needs a more liberal depreciation method. And it appears to us that the only way to accomplish a change is to follow the suggestion made by Dr. William A. Paton.

The leaders of the coin machine industry must take the problem to Congress. With other industries making a similar bid for greater liberalization of depreciation allowances, the coin machine industry can add its weight. A concerted drive by all can accomplish results which would be of tremendous help to the businessmen not only in all businesses, but directly for those in the coin machine industry.

American Arbitration Assn. Decides Location Breached Contract By Installing Competitor's Machine

Hearing Before Arbitration Cuts Waiting Period Down to 30 to 60 Days Instead of 1½ to 2 Yrs Before Supreme Court (Crowded Calendar). Operator Awarded Money for Damages as Well as Re-installation of Machine.

NEW YORK—The great importance of location contracts has been proven many times over the years. The decision rendered this week by Irving Bow, administrator for the American Arbitration Association, is the latest victory for an operator against a location owner who breached the contract by installing the machine of a competitive operator and having the machine belonging to the contract operator removed.

The important consideration attached to this situation is the victory in arbitration. Even though the contract existence might be upheld by the courts, ordinary legal relief thru the

State Supreme Court takes about a year and a half to two years, because of the crowded court calendar. Thru the process of arbitration, the situation is resolved in from 30 to 60 days.

Reproduced on the page to the left is the contract now being used by New York operators. Paragraph 4 is the condition breached by the location owner. Reproduced below on this page are "Other Terms And Conditions", which is printed on the reverse side of the contract. Paragraph K determined that the case be heard before the American Arbitration Association. The contract comes in triplicate. We reproduce these docu-

ments in the event operators throughout the nation wish to use them. However, we suggest that operators check with their attorneys to be sure contract conditions can be stipulated in their States.

The decision of the American Arbitration Association is reproduced herewith:

"In the matter of the Arbitration between HERMAN AUTOMATIC MUSIC CORP. (operator), and GERALD DEAN (location owner):

"I, THE UNDERSIGNED ARBITRATOR, having been designated in accordance with the Arbitration Agreement entered into by the above-named Parties, and dated August 9, 1958, and having been duly sworn and having duly heard the proofs and allegations of the Parties, FIND, as follows:

"1. That the contract of August 9, 1958 between the parties is a valid contract,

"2. That there was no breach of that contract by HERMAN AUTOMATIC MUSIC CORP. (hereinafter called HERMAN),

"3. That there was a breach of contract by GERALD DEAN (hereinafter called DEAN) on or about December 8, 1958.

"THEREFORE, THE ARBITRATOR DIRECTS AND AWARDS AS FOLLOWS:

"1. DEAN shall pay HERMAN Sixty Dollars (\$60.00) representing damages from date of breach of contract to date of award;

"2. The Arbitrator directs that DEAN shall allow HERMAN to re-install HERMAN'S automatic music machine and retain it in service until August 8, 1963, the duration of the contract and DEAN shall comply with paragraph 4 of the contract which restricts the installation of any other phonograph or device for the reproduction of music. In the event DEAN does not comply with the directions of this part of the Award, then DEAN shall pay HERMAN, in addition to damages mentioned above, the sum of money damages calculated at the rate of Five Dollars (\$5.00) per week from the date of this Award or any subsequent failure to comply with said paragraph 4 of the contract or with this paragraph of the Award, to August 8, 1963, the date of the end of the contract.

"3. DEAN shall pay HERMAN the additional sum of Two Hundred Dollars (\$200.00) towards attorney's fees as provided in Section K of the contract.

"4. Taking cognizance of Section K of the contract, I determine that this Award is such that the Administrative Fee shall be borne equally. Therefore, DEAN shall pay to HERMAN the further sum of One Hundred Dollars (\$100.00) representing his one-half share of the Administrative Fee advanced to the American Arbitration Association on behalf of HERMAN."

The usual practice in arbitration awards is that the decision is turned into the State Supreme Court where it is automatically confirmed.

"OTHER TERMS AND CONDITIONS"

The term "gross receipts", as used in Paragraph "5" of this agreement, shall be the gross receipts resulting from the operation of the Phonograph after deducting therefrom any fees, royalties, commissions, taxes or other sums payable by the Music Operator and resulting from the installation and operation of the Phonograph, including payments or royalties required to be paid pursuant to any of the provisions of the Copyright Law of the United States, as amended from time to time. The Phonograph shall at all times remain and be the sole and exclusive property of the Music Operator, and the Location Owner shall have no right of property therein but only the right to have such Phonograph used in its normal manner upon the conditions contained in this agreement. The Music Operator, its agents and employees, shall at all times have free access to the Phonograph.

Music Operator may replace the Phonograph with other Phonographs from time to time. Except as herein otherwise provided, the Phonograph shall not be transferred, delivered or sublet to any other person or corporation, nor shall this agreement be assigned by the Location Owner, except that, in the event the place of business owned and operated by the Location Owner shall be sold, the Location Owner agrees to assign this agreement to such purchaser and the Location Owner agrees that upon such sale it will obtain the agreement of such purchaser to assume all the obligations of this agreement to the expiration of the term thereof. This agreement and the terms thereof shall be binding upon any business, firm or corporation succeeding the business operated by the Location Owner, and shall apply to any other address to which the business of the location owner is moved.

The omission by the Music Operator at any time to enforce any default or right reserved to it, or to require performance of all of the terms, covenants or provisions hereof by the Location Owner at the time designated, shall not be a waiver of any such default or right to which the Music Operator is entitled, nor shall it in any way affect the right of the Music Operator to enforce such provisions thereafter. The Music Operator may exercise all remedies simultaneously, or otherwise, pursuant to the terms thereof, and any such action shall not operate to release the Location Owner.

In the event the Location Owner shall disconnect the Phonograph or cause its removal or permit the installation of another Phonograph not owned or operated by Music Operator or shall otherwise fail promptly to perform any of the terms, covenants and conditions of this agreement, or any renewal thereof, then and in such event, at the option of the Music Operator, there shall become immediately due and payable, as liquidated damages and not as a penalty, the sum which the Music Operator would have received under the terms of this agreement for the balance of the term of the agreement. The amount payable to the Music Operator shall be computed as follows: The total receipts from the operation of the Phonograph, less the amount paid over to the Location Owner for the weeks preceding the breach by the Location Owner of the terms, covenants and conditions of this agreement, shall be totalled and divided by the number of weeks that have elapsed since the commencement date of this agreement and the sum resulting shall constitute the "net average weekly payment". This "net average weekly payment" shall be multiplied by the number of weeks remaining under the terms of this agreement, and such resulting sum shall immediately become due and payable. It is further agreed that, upon default by the Location Owner of any of the terms, covenants or conditions of this lease or any renewal thereof, the Location Owner's right to continue in possession of the Phonograph shall, at the option of the Music Operator, cease, all without notice or demand.

In the event the Location Owner shall fail to perform any of the terms, covenants and conditions of this agreement, or any renewal thereof, it shall be lawful for the Music Operator and the Location Owner hereby authorizes and empowers the Music Operator, with the aid or assistance of any persons, to enter upon the Location Owner's premises, or such other places where the Phonograph may be found and take possession of and remove the Phonograph without process of law.

Location Owner agrees to maintain fire and theft insurance on the Phonograph and in the event of loss, the proceeds shall be payable to Music Operator and Location Owner, as their interests may appear.

Location Owner agrees to pay for all federal, state, municipal and other taxes, if any, applicable to the use and/or possession of the Phonograph.

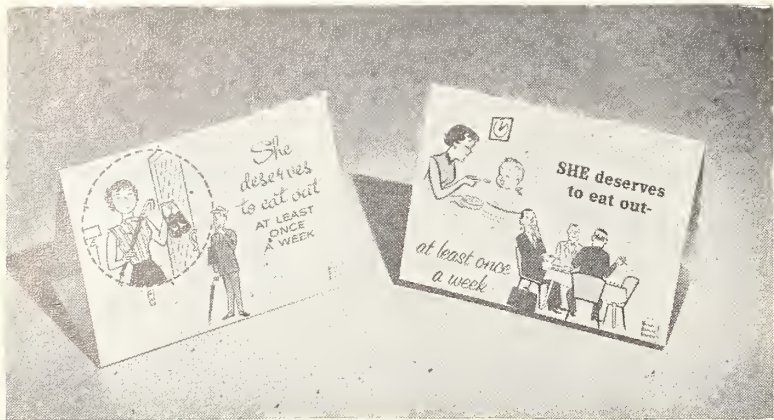

The Location Owner, for himself or itself, and for his or its heirs, executors, successors and assigns, hereby agrees to indemnify and save harmless the Music Operator, its successors and assigns, of and from, any and all claims or liability for any and all loss, damages, injury or other casualty to persons or property, caused or occasioned in any manner, by reason of maintenance or operation of the Phonograph.

The costs and disbursements of the arbitration, including reasonable attorney's fees (not less than 15% of the amount involved), shall be paid by the losing party. The parties hereto waive the arbitrator's oath and the requirements of notice as set forth in the Civil Practice Act of the State of New York. Wico Shipping Stereo Conversion Kit

CHICAGO—"Acceptance of Wico's new stereo conversion kit for all Seeburg models (from M100-A and later series)," declared Milton Wiczer, sales manager of the Wico Corporation, this city, "has been tremendous since its release to the trade the past week. The fact that it embraces so wide a series of models makes this a very revolutionary and promising step forward for music operators across the nation and overseas.

"We want to stress to the operator," Wiczer continued, "the fact that the conversion kit can be installed in one hour on location and it utilizes the phonograph's present auxiliary speakers. Another positive factor is that the entire unit comes to you complete with simple instructions and diagrams for the easy installation; and satisfaction is absolutely guaranteed. This is a first!"

The Wico stereo conversion kit consists of the following items:

1. A high fidelity amplifier which had been especially designed for conversion of Seeburg automatic phonographs of monaural design into stereo. It is equipped with its own independent automatic volume compensator which will compensate for the variation in the average volume levels of the different records and permits the setting of the volume control for normal records, eliminating the blasting of exceptionally loud records.

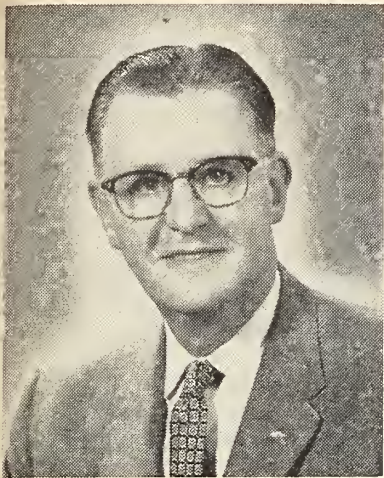

2. A duo stereo cartridge and needles which will reproduce both channels of the stereo records and divert one side of the channel into the

present Seeburg amplifier and the other side of the channel into the Wico amplifier. The same stereo cartridge can be used to play regular monaural records without any changes, but it will reproduce these records with a richer tone reproduction.

3. The duo stereo cartridge is firmly attached to a special bracket which can be screwed into the same mounting holes in the pickup arm from which the pickering pickup has been removed. Complete instruction with illustrations to show exactly how the conversion kit has to be installed.

4. The Wico stereo conversion kit is equipped with a receptacle which makes it possible to use a remote volume control by just plugging it into the unit. In most cases present remote volume control can be used or it can be furnished at a nominal cost. In most cases it will be sufficient to use present wallspeakers for the installation, by splitting the lead into two sections, one for each channel. But, if necessary, additional speakers can be furnished with or without baffles for wallmounting or for corner mounting.

"Results to this date are just short of sensational," Wiczer concluded "and it gives a great deal of satisfaction to all of us here at Wico Corporation to know that acceptance of the stereo conversion kit, among operators, is so overwhelming. We will show this equipment at the upcoming MOA convention at the Morrison Hotel April 6, 7 and 8."

Williams Delivers "Pinch-Hitter"

CHICAGO—"We are happy to re-
t to the trade," stated Sam Lewis,
ector of sales for Williams Manu-
cturing Company, this city, "that
have released, for immediate ship-
ent, the greatest baseball game we
ve ever created in 'Pinch-Hitter'.
We can't help feeling enthusiastic.
us far this year, we have been
ghly successful with all of our
usement equipment. It is therefore
great satisfaction to come out with
ruly fine baseball game at the be-
ning of the spring season. In
t, we will go so far as to say that
inch-Hitter' is the finest baseball
me the industry has ever produced,"
ewis declared. "Add to the excep-
onal features of 'Pinch-Hitter'," he
ntinued, "the fact that it costs less
l offers more than any other com-
petitive baseball game.
One of the finest features in this
eball amusement game is that not
y is it competitive in play—where-
two players can play at the same
e—but one player can pitch the
l by pressing a button, while the
er player bats," said Lewis.
Furthermore," Lewis said, "the
cher can now throw either a 'fast'
l or a 'curve' ball by pressing one
two buttons. Prior to 'Pinch-Hit-
' it was possible to serve up only
fast' ball or 'slow' ball. The curve
l or fast ball pitch offers a great
l more excitement because the bat-
doesn't know which pitch to expect
m the pitcher.

"There is a diamond laid out on the
playfield with three plastic, slightly
raised lit-up ramps; which guide the
ball over the fence for a home run,"
Lewis continued. "Included on the
playfield are two holes each for 'sin-
gles', 'doubles', and 'triples', and two
holes (one on each side) for 'outs'.
The backboard has a beautiful 3-
dimensional diamond laid out with the
players on the field. When the batter
gets the ball in the hit zone on either
side of the playfield, base runners
emerge on the base paths designated
on the backboard diamond, and circle
the bases as hits are made in succes-
sion, including extra scoring features.
Another great first in 'Pinch-Hit-
ter'," Lewis said, "are the scoring
features, which we feel are second to
none. There is a high score, previous
high score, spell-out-the-name feature,
and the match feature. No other
baseball game includes all these fea-
tures.
Actually the most exciting feature
in 'Pinch-Hitter' is attained when the
batter has the bases loaded with two
outs. In this case any hit clears the
bases with runs and earns re-plays.
This also adds a letter in spelling out
the name. Spelling out the name
'Pinch-Hitter' earns five extra re-
plays. To add excitement to the game
the batter is limited to three strikes,
and in this case he strikes out, if he
misses the ball and it hits the strike
zone (marked directly behind the bat)
three times.

"Pinch-Hitter," stated Lewis, "is
a realistic baseball game and offers
no outlandish scoring features—runs
can be earned only through hits and
home runs. It is encased in a beauti-
ful cabinet and has so many light-up
sections that the game can be played
in a dark room where everything is

"We are now in full production,"
concluded Lewis, "and according to
immediate interest shown among our

we have a hit in 'Pinch-Hitter'. Be-

sides all of the marvelous new fea-
tures, the game includes other fine
Williams innovations."

Chicago Dynamics Industries Reports Peak 1st Quarter Sales

CHICAGO — "Now that the first quarter is practically over," stated Art Weinand, director of sales of Chicago Dynamic Industries, this city, we are happy to report that sales on all equipment, since January 1, have been very good.

"A great source of satisfaction to us has been sales of Chicago Coin's new 'Red Pin Bowler', which is now in its third release to the trade. 'Red Pin Bowler' offers all the thrills and excitement of bowling, plus an added feature wherein the red head-pin, which is predominant in its bright red color, gives the player more scoring thrills.

"Chicago Coin has always been a leader in the designing of bowling games, chiefly due to scoring innovations," continued Weinand. "For example, there are 6 different ways to score with the 'Red Pin Bowler'. Naturally, there is regulation scoring; and then the high score feature;

flash-o-matic high score; mystery high score; red pin high score; and red pin regulation scoring.

"When the red head-pin lights up on either the 4th, 6th or 8th frame the player gets 30 extra points in regulation bowling, or 500 extra points in high score bowling.

"Another, and very timely game at this time," said Weinand, "is Chicago Coin's 'Rocket Ball Shuffle Baseball', an exciting baseball game. Other games which are still going strong are the 'Rebound Shuffle with Monte Carlo Scoring,' 6 foot length, and the 'Rebound Shuffle with Monte Carlo Scoring,' 8 foot length. Incidentally, electric scoring is optional in these two games.

"Other bowlers which are currently continuing to ride the crest all over the country are: 'Player's Choice' bowler and 'Twin Bowler,'" concluded Weinand.

Bally Advises Ops How To Fit Into Shopping-Center Picture

BILL O'DONNELL

CHICAGO — The Bally Manufacturing Company recently exhibited photographs of the Great Eastern Mills Playland, the much publicized shopping center-amusement arcade, located in West Paterson, New Jersey, and under the supervision of Runyon Sales Company, Newark, New Jersey. The exhibition of photographs took place during the 40th Annual Outdoor Amusement Exposition. One of the questions asked most by operators was, "How do we fit into the picture of established shopping centers?"

Bill O'Donnell, Bally general sales manager, has answered this prime question in the February issue of "Bally-Who," the firm's monthly house organ.

"Every coin machine man who saw the pictures of the Great Eastern Mills Bally Playland was intensely interested," wrote O'Donnell. "All agreed that the Ballyrides and Bally-bowlers are ideal equipment for market-playlands. The profit potential was obvious to all operators. Only one question was consistently asked: 'How do we fit into the picture of established shopping centers, which consist of numerous individual stores each with a separate entrance from the parking plaza?'"

"A general answer to the question is that the aggressive operator fits into the shopping-center picture by the same techniques that fit him into any location picture—by intelligent location scouting and intelligent salesmanship of his service. A detailed answer to the question requires brief analysis of several types of market-playlands.

"The playland at Great Eastern Mills," continued O'Donnell, "may be described as a playland area—one of numerous houses in a gigantic room divided into practically all of the departments found in a multi-story department store.

"The operator with an eye on the future will be alert to 'discount house' developments and—like Runyon Sales Company in the case of Great Eastern Mills—will start his negotiations before the building foundation is laid.

"In contrast to the 'gigantic room' layout of the 'discount house,' the conventional shopping center consists of separate stores, grouped around a central parking-plaza. Operators can, of course, establish playlands in this type of shopping-center only by renting a unit to be devoted entirely to coin-operated amusement, and perhaps, coin-operated vending of refreshments and music. Guiding factor in determining the size of operation would be, as in all operations, the density and consistency of traffic passing the playland store. Leonard L. Farber, president of International Council of Shopping Centers, estimates that 2,400 shopping-centers are

now in operation in the United States and Canada and predicts that the number of shopping-centers will rise by 1960 to 4,000 with annual sales of \$70 billion," advised O'Donnell.

"Although the new shopping-centers mentioned in Mr. Farber's prophecy offer operators opportunity for future playland stores, they are often confronted with 'no vacancy' conditions in the case of existing shopping-centers. The operator who is determined to participate in the traffic generated by shopping-centers is not stopped by the 'no vacancy' sign. His aim then is to enter the shopping-center with a sub-area playland—a sub-area within one of the stores in the center. The supermarket, the variety store, the bowling alley, the children's specialty shop are typical shopping-center units adapted to the installation of a sub-area playland. Although emphasis is on kiddie rides in sub-area playlands, an additional trend toward additional adult games is apparent, not only in outlying shopping-centers but in variety stores and supermarkets in urban shopping districts.

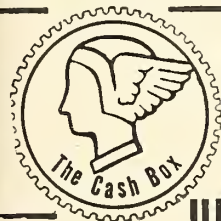

"Summing up, the market-playland is merely a new type of location opportunity, arising out of the times in which we live. As in the case of all types of locations, the opportunity of the market-playland requires imaginative exploitation on the part of operators. Manufacturers can assist with suitable equipment. Bally plans to cooperate with operators in developing decorative 'flash' for market-playlands. But the big job of promotion belongs to the man in the field. Chiefly through his efforts will market-playlands fit into the picture of all types of shopping-centers," concluded O'Donnell.

EDITORIAL NOTE: Two feature articles on Amusement Machine Operations in Super Stores appeared in the February 14, 1959, issue of **THE CASH BOX**. Because of the tremendous interest shown in this new phase of coin machine operations, reprints of these articles have been made available to all coinmen. Requests for reprints should be sent to **THE CASH BOX**, 1721 Broadway, New York 19, N. Y.

All Games, Arcade Equipment Show Big Pre-Spring Sales

EASTERN FLASHES

It's amazing the way New York temperatures affect business along Tenth Avenue. Two weeks ago the avenue was hustling with ops strolling in and out of distrib showrooms and Spring looked like it was just around the corner. While the early week weather was good, with business better than ever, the mid-week snow and sleet cut operator traffic along coin row. However, distributors have seen it happen dozens of times before—as soon as the sun shines again, operators pour on to the Avenue. The reason for activity along the avenue was obvious: new games. Every showroom proudly displayed its latest piece of equipment and all distributors reported a good business. Shuffles, bowlers, baseball and guns got most of the action. Match features, combination scoring, eye-catching illusions and new ideas for "team play" helped move equipment. Arcade equipment, which has started to sell early, is definitely in full swing for the coming season after a good year 'round business in New York and suburban playlands operating with good size crowds on an "Open All Day Sunday" program. Stereophonic music machines have constantly showed better sale success with each week's report and the list of stereo singles available is growing in leaps and bounds.

Al Simon, Albert Simon Inc., states that ChiCoin's "Rebound Shuffle" is still the operator's delight and repeat orders on the hit game come into the showrooms "as soon as the operator finds a 'home' for this piece". A D'Inzillo reports terrific acceptance on the new ChiCoin "Red Pin" shuffle and finds that with the "Rebound" sold out he can give more time to "Red Pin" sales. New shipments on both pieces were expected later last week. . . Stan Nankof, Rockaway Playland operator, is happy about the turnout he has been receiving on Sundays from families out for the day. "If business keeps up this way until the warmer weather, the ocean will draw the bigger crowds and we should have an excellent season", commented Stan. . . Black Sales activity showed sales moving along on United's "Shuffle Playmate" and consistently good business for the UPB-100 phono. Irving Holzman was busy with outside chores while "Whitey" Druckman handled reconditioned arcade equipment. Runyon Sales Co. busy moving Bally "Speed" and "Club" bowlers while the AMI model "J" got its usual share of attention from visiting ops. Lou Wolberg took time out to solicit UJA donations for the 1959 drive and Morris Rood reported heavy meeting schedules in connection with his night-time board duties, part of the Boys' Club of America support, that Morris finds the time for each week. Barney "Shugy" Sugerman handling ops interested in the Bally bowlers and calling several on the telephone to check repeat orders from ops already using the games on location. . . Lennie Kohn and the missus satisfied a life-long ambition this past week. Kohn bought his own arcade in Edgemere and is ready for business as of this moment. "I've had my eye on that arcade since I was 15 years old, and I've finally went ahead and bought it", stated Lennie. The arcade features about 120 pieces of equipment and from all indications looks like a good bet. . . Mike Munves, Mike Munves Corp., is looking for more and more arcade equipment to answer the calls from ops. "We've shipped so much equipment that for a change, I need more pieces to fill these orders", commented Mike. Joe Munves was expected to leave Chicago last week for his return home, after a country-wide tour of arcade outlets and fairs, and a good sized list of equipment all marked "sold". Mike's son, Alvin, is still in Ft. Dix, N. J. and has about 18 months to go on his two-year agreement with Uncle Sam. Naturally, he wishes it was shorter. . . Harry Wichansky, veteran coin machine man, strolled the avenue and stopped for conversation with several passersby. Harry advised that his route is under control and that between the forthcoming "New Business Convention Show" at the local Coliseum, at which Harry expects to exhibit a new item and his photography hobby, he's keeping himself busy. . . Al Goldberg, Sandy Moore Dist. Co., advises that "2300" sales are moving well and that Sandy Moore spends part of the week, each week, at the firm's Freeport outlet. Abe Lipsky, Philly branch head, still commuting from his Yonkers home to the Philadelphia offices. . . Meyer Parkoff, Atlantic New York Corp., says that Seeburg stereo is still getting a big chunk of the music business. . . Meyer just completed a local mailing to ops on the Seeburg phono pointing out the advantageous features of the stereo equipment. Murray Kaye, stuck to the desk, with ops in the ante-room waiting to do business, took the time to say "hello" and report, naturally, that all of his time is taken with phono sales and installations. . . Meyer Parkoff has been kept quite busy during the past few weeks calling on local bankers, advising the financial men of the actual conditions that exist in this territory regarding juke box operators and personnel, in an effort to overcome whatever effects the recent Washington hearings may have had on the banks' credit policies toward the industry. From all reports Parkoff has been responsible for the education of many important money men as it pertains to financing of the music machine business. . . Koeppl Dist. Co., doing a nice business on the new Rock-Ola line with a steady stream of export business keeping Hymie and Harry active. . . Al "Senator" Bodkin advises that the next executive committee meeting of the UJA Coin Division will be held on Wed., March 18, at the Astor Hotel. Timed for 6:00 P.M., Al requests that all volunteers bring along collected contributions, ticket reservations and at least one friend.

Less Yankee TV Games In 1959

NEW YORK—Station WPIX, local television station, this city, has advised that only 123 Yankee baseball games will be televised during the 1959 season—77 home games and 46 road games.

The total number of games for 1959, to be televised, is less than the number reported for the 1958 season and will be to the advantage of operators previously affected by the amount of television viewing in any one location.

While the actual number of televised games during this past season was not available at press time from the TV station, due to numerous changes in the original schedule, the fact that this total does amount to less than the 1958 schedule, is a bright note for operators with locations in the viewing area. Operators advised the curtailment of TV broadcasts of baseball games in the 1958 season helped improve their collections.

Aamony To Hold Meeting

NEW YORK—The Associated Amusement Machine Operators of New York, this city, announced it will hold a general membership meeting on Tuesday evening, March 19, starting 7:30 P.M., at the Henry Hudson Hotel, Hudson Room.

Among the items on the agenda is: Nomination of officers and board of directors. Election is expected to take place at a meeting in the near future.

1959 First Quarter Biz A Humdinger, Say Coinmen — CHICAGO CHATTER —

Reports have been literally pouring in advising us that most manufacturers and distributors enjoyed peak sales in amusement and phonograph equipment for the first quarter of this year which is closing out shortly. It augurs good tidings for the months to come. . . .

Convention Musings: Come April 6, 7 & 8 the man of the hour in this sprawling metropolis will be "Mr. Coinman". At this writing MOA prexy George A Miller is laboring many hours daily getting the MOA convention "oiled" and raring to go—all out for the trade. It is already quite evident that the Morrison Hotel will become the greatest aggregation of visiting conventionists in the MOA's history. This will, of course, gladden her heart; for he has spared nothing to make this coin machine industry's biggest show. Naturally the wildly rising record industry will be well represented, it has in previous years.

HERB OETTINGER

Both Bill O'Donnell and Herb Jones expressed their opinion, to other day, over acceptance of Ballybowlers and Myrides at Great Eastern Mills Playland in New Jersey. Bill pointed up recent emergence in the coinbiz location scheme, "rising out of the times which we live", of the market-playland operation. He further stated that they will fully cooperate with operators by developing decorative "flash" for market-playlands. . . . Paul Huebsch, Keeney Manufacturing, tells us that Abraham of J. M. Novelty in Youngstown, Ohio was a visitor at the coin plant last week. Lucky Al Albritton is covering the territory around Springfield, Arkansas these days. . . . Dave Gottlieb, well-tanned and in peak condition after his lengthy vacation in Miami Beach, Florida with lovely Dorothy, returned to his desk last week. Alvin and Nate Gottlieb already singing the praises of Gottlieb's new 2-player "Race Time", which was released to the trade just 2 weeks ago. . . . Ted Rubey and Estelle tell us that everyone at Marvel Manufacturing were saddened by the death last week of one of their old time employees, Lillian Gallinger. Ted said that Miss Gallinger had been with the firm more than 14 years.

JOEL STERN

Williams Manufacturing's sales director, Sam Lewis, announces that Williams is certainly ready for the baseball season with "Pinch-Hitter", Williams' new baseball game now being shipped to distributors. Sam urges operators to see this terrific game now; for it has great player appeal and more features than any baseball game ever produced by Williams in the past. "Meanwhile", Sam stresses, "don't pass up 'Hercules' which is going great everywhere." . . . Joe Robbins, Empire Coin's genial sales manager, passes the word along that now is the time to buy equipment; especially, since many are running Spring Sales. Joe sez that Gil Kitt, Fred Minter, Jack Burns and Ray Henderson are looking forward to seeing all of their friends and cohorts at the upcoming MOA show at the Morrison Hotel.

Sam Wolberg, president of Chicago Dynamic Industries, is expected back to his busy desk this week after a few glorious weeks of sun and fun in Puerto Rico. Sam Gensburg reports the approaching close of a very successful quarter this year at Chicago Dynamic Industries. Results have been simply great, according to Gensburg, with the "Rebound Shuffle" series of games, including Monte Carlo scoring in the 6 foot and 8 foot lengths. Weinand asks us not to forget to mention that the Monte Carlo "Rebound Shuffle" have electric scoring as an optional feature; also that "Player's Choice" bowlers and "Twin Bowler" (with the twin twist) are more than holding their own in sales. However, the big game at Chicago Dynamic is Chicago Coin's "Red Pin Bowler". On this Jerry Koci, Ed Levin, Mort and Harry Glick concur. Harry reports that present sales on "Commando Machine Gun" gallery point out that it will be well represented in Amusement Parks over the country this summer.

Herb Oettinger tells us that Jack Mitnick of United Music, and Bill DeSelm of United Manufacturing are en route to Atlanta, Georgia and Columbia, South Carolina to call on Sparks Music's heads, R. M. Sparks and M. H. Sparks. . . . Begorra! That foine broth of a lad, Tony Gano (or should we say O'Galgano) celebrated his birthday and the start of his 31st year in record biz on Pat's Day. (The first 30 years are the hardest, Tony!). . . . Kurt Kluever reports that Edward Doris, vice president in charge of sales for Rock-Ola Manufacturing, left the city on a lengthy sales trip to Omaha, St. Louis, St. Paul, San Antonio, Houston and New Orleans. Jack Barabash is off to St. Paul, and Les Rieck is eastward bound to sing the praises of Rock-Ola's "mpo" phonograph series in monaural and stereo sound. Kurt is minding store and keeping himself very busy filling orders as fast as they come to his office. . . . Harvey L. Bartsch, Jr., Badger Music and Amusement in Madison, Wisconsin, dropped us a note to say "hi", and tell all of us that he'll be in on us at the big MOA show.

Howie Freer informs us that prexy Don Moloney was all smiles when he returned from his sojourn in the deep south to find business going along at a fine clip at dear old Donan Distributing. . . . Mike Detzek of Champion Distributors busy as all get out these days delivering pool games. . . . The production line at Games, Incorporated is humming along at a fast clip shipping "Wild Cat" and "Double Shot" uprights, despite the fact that bossman Clarence Schuyler is basking in the sun at the spas in Puerto Rico. . . . Joe Kline and Sam Kolber report that they entertained many visitors from overseas and Canada at First Coin the past week. . . . Ed Ruber of Wico Corporation tells us that Milt and Morrie Wiczor are already excited about sales for their Stereo Conversion Kits for Seeburg phonographs (M100-A series and successive models). Naturally they're looking forward to the big MOA show, April 6, 7 & 8 at the Morrison Hotel. . . . Ben Coven just returned from a whirlwind tour around the country, showing his great, new invention, the DF-O-ic Navigator, at Boat Shows. Ben tells us that acceptance of this equip-

ment has been phenomenal. It is a must navigational instrument for amateur boating enthusiasts. While Ben was away Sid Paris and Irv Ovitz minded the store at Coven Music.

Herb Perkins, Purveyor Distributors, expects this to be a terrific spring season for games and music equipment. . . . Tom Mackey, genial host of the Morrison Hotel assures us, one and all, that everything possible will be done by the staff at the hostelry to see to the comfort of visiting coinmen at the MOA convention. They all look forward to this big shindig, according to Tom. . . . Johnny Frantz, J. F. Frantz Manufacturing, is more excited than ever as the big show approaches. Prime reason, of course, is his "Dodge City" counter game, which features moving targets; and is increasing in popularity due to the swing to Western fare on TV. Johnny assures us that he will be much in evidence at MOA show. . . . World Wide Distributors' Joel Stern reflects back to the past 3 months, and remarks that sales results at World Wide thus far merely assure him that the ensuing months should certainly be equally as productive. Joel pointed out that Games, Incorporated's "Wild Cat" and "Double Shot", and Rock-Ola's "Tempo" phonograph line kept everyone hopping during this period. Summing up, he looks forward to a great year throughout all of 1959.

Eddie Ginsburg and Nate Feinstein, Atlas Music, don't claim to have the best bowling team in the Chicago Division of the National Phonograph Bowling League; but, they feel that they certainly have the best phonograph in the Seeburg stereo line. Sales, since the Seeburg stereo models were first introduced, is the gauge they use for determining this fact. . . . Johnny Oomens, secretary of the bowling league, urged us to remind all the local bowling fans that the big, gala Bowling Banquet will be held at the Mount Prospect Country Club, in suburban Mount Prospect, May 22, (which is on a Friday evening); and "don't forget to get your tickets," sez Johnny, "cause they're going fast." . . . Chet Gore, prexy of Exhibit Supply, sings the praises of Exhibit's "Vacuumatic Card Vendor", now, more than ever before. A terrific assortment of cards is one of the factors which is assuring an excellent sales year, according to Chet. . . . The next 2 weeks will scoot past us; and, before we look around it will be MOA convention time—the time for coinmen and all their old cronies to get together and really have a ball!

Mary predicts big thing for Guy Lombardo's latest on Capitol, "Silver Dollar". . . . Jack Lewerke of California Record Distributors, states "Touch of Pink," by The Surfers on Orbit, looks like a two-sided smash with "Mambo Jambo" on the flip side. . . . At Norty's Music Center, Jessie Belvin, along with Mrs. Belvin, to chat with the gang at Norty's and check on his new RCA Victor outing "Guess Who." Vinny also wished to mention their new phone number—RE 1-9554.

At C. A. Robinson & Co., Hank Tronick says unsolicited endorsement, both written and verbal, have been coming in from operators who have purchased the new United phonograph. Al Thoeke, United Manufacturing Co.'s sales engineer, visiting with C. A. Robinson and calling on all operators in the territory. Hank went on to say the first shipment of the new United wall box is being expectantly awaited. Oomens Stresses 100% Banquet Attendance

CHICAGO—Johnny Oomens, secretary of the Chicago Division of the National Phonograph Bowling League, has advised that the gala bowling league banquet on May 22, at the Mount Prospect Country Club is a date all members and guests should remember. "In view of the MOA Convention excitement, we thought it a good idea to stress the date of our affair, lest anyone forget", said Oomens.

An unusual scoring occurrence was attained during the tournament play last week, when B & B topped the Gallet team by 2½ games to ½ game. This is the first time, according to existing records, that this occurred in the Chicago Division of the National Phonograph Bowling League. High scorers for B & B were Frank Sciackitano with 542 and R. Bauer with 500. Ray Gallet, Rene Gallet and H. Krueger bowled respective 516, 509 and 508 scores.

The power packed Decca team swept over Chicago Condenser 3 games to 0. P. Corso bowled a terrific 549 for Decca. Frank Tutomase wound up with 507 and F. Risco dropped 500 pins. J. Smith had a 483 for Chicago Condenser.

Bob Holl bowled high score for the evening with a 558, to lead Phonograph Service to 3 wins over Coven Music. F. Dalton was high man for Coven with 453. Star Music, led by Marion Sochaki with her 490 score, swept 3 games over Music Time. J. Novak was high for Music Time with 532.

Tony Galgano's strong Galgano team defeated the Mercury team 2 to 1 as Charlie Alesi and E. Teske teamed up with 542 and 513 scores; while Mercury's captain, Frank Kaiser, could do no better than 488 pins.

Chicago Music took 2 out of 3 from Atlas Music. B. Beriso was high for Chicago Music with 511 and A. Brezinski kegled 503 pins to top the Atlas team.

Bally Mfg. Delivers New Game "Heavy Hitter" Baseball

CHICAGO—Bill O'Donnell, general sales manager, Bally Manufacturing Company, this city, has announced that all Bally distributors are now showing the "Heavy Hitter", the firm's new pitch-and-bat baseball game.

O'Donnell described the baseball game as a fast 3-inning ball game with 3 outs per inning. "Heavy Hitter" may be played by 1 or 2 players and is available in two models, "standard" or "replay".

"The 'standard' model is equipped with dime chute only", said O'Donnell, "requiring dime-a-play for each player. 'Replay' model is equipped with two coin chutes, one for dime-a-play and one coin chute for 3-plays-for-a-quarter. One of the major new features contained in 'Heavy Hitter' is the 'moving target light' which insures constant change-of-pace batting. All targets are lit with a white light, except one target which is lit with a red light. The red target scores the indicated value of target; single, double, triple or home run plus 4 extra runs. After each base hit, the red light shifts to another target by 'mystery scramble', thereby keeping the player constantly alert in order to select the top scoring target.

"Depending on the number and position of men on base, red double, for example, may be preferred to white home run. Animated back glass shows flash-action players running the bases, and the light-up playfield indicates the position of all base-runners during the entire game.

"Other features include a new lightweight fast ball and new high-speed rotary totalizers", continued O'Donnell. "Cabinet can be described as standard pinball size, 24" x 57", with

new comfort styling feature at front which permits players to keep their eyes on the ball while pitching and batting. New, jumbo pitch and bat buttons are conveniently mounted on comfort-console to speed up play," concluded O'Donnell.

Please bring them with you when you attend the next scheduled meeting", advised the "Senator".

THIS WEEK'S USED MACHINE QUOTATIONS

20th YEAR OF PUBLICATION

1,015th CONSECUTIVE WEEK'S ISSUE

How To Use "THE CASH BOX PRICE LISTS"

FOREWORD: Many times, wide differences appear in the quotation of high and low prices of certain equipment. Like any true reporter "The Cash Box Price Lists" can only feature the market prices as they are quoted. "The Cash Box Price Lists" act exactly the same as the market quotation board at the Stock Exchange—posting the prices as they are quoted for the past week, regardless of how much they may seem to be out of line. Some prices do not change for months. "The Cash Box Price Lists," rather than show no price, retain the last known quotations for such equipment so that the subscriber at least has the last known prices as a basis to work with. Prices may be very widely divergent. Someone on the West Coast may feel a certain machine worth \$150.00 whereas someone on the East Coast may think it worth but \$75.00. Of course, serial,

appearance, demand, territory, quantity, and condition of equipment must be taken into consideration. (Some equipment offered by outstanding firms, having a reputation for shipping completely reconditioned machines, will be offered at higher prices than others, due to the added cost of reconditioning.) "The Cash Box Price Lists" reports each quotation exactly as it is made and depends on the subscriber to make average price adjustments to fit the peculiarities of his territory.

METHOD: "The Cash Box Price Lists" should be read as follows: First price listed is lowest price quoted for the week; Second price listed is highest price quoted.

"AMI KEEPS US A COUPLE YEARS AHEAD OF COMPETITION"

*A Successful Operator Tells Why He
Invests in AMI Juke Boxes*

"Maybe we're lucky. We know it's been hard work. But each year in the business we've managed to grow bigger.

"And each year we've replaced more equipment with AMI juke boxes.

"In looking over our records three things stand out that seem to make AMI equipment our safest investment.

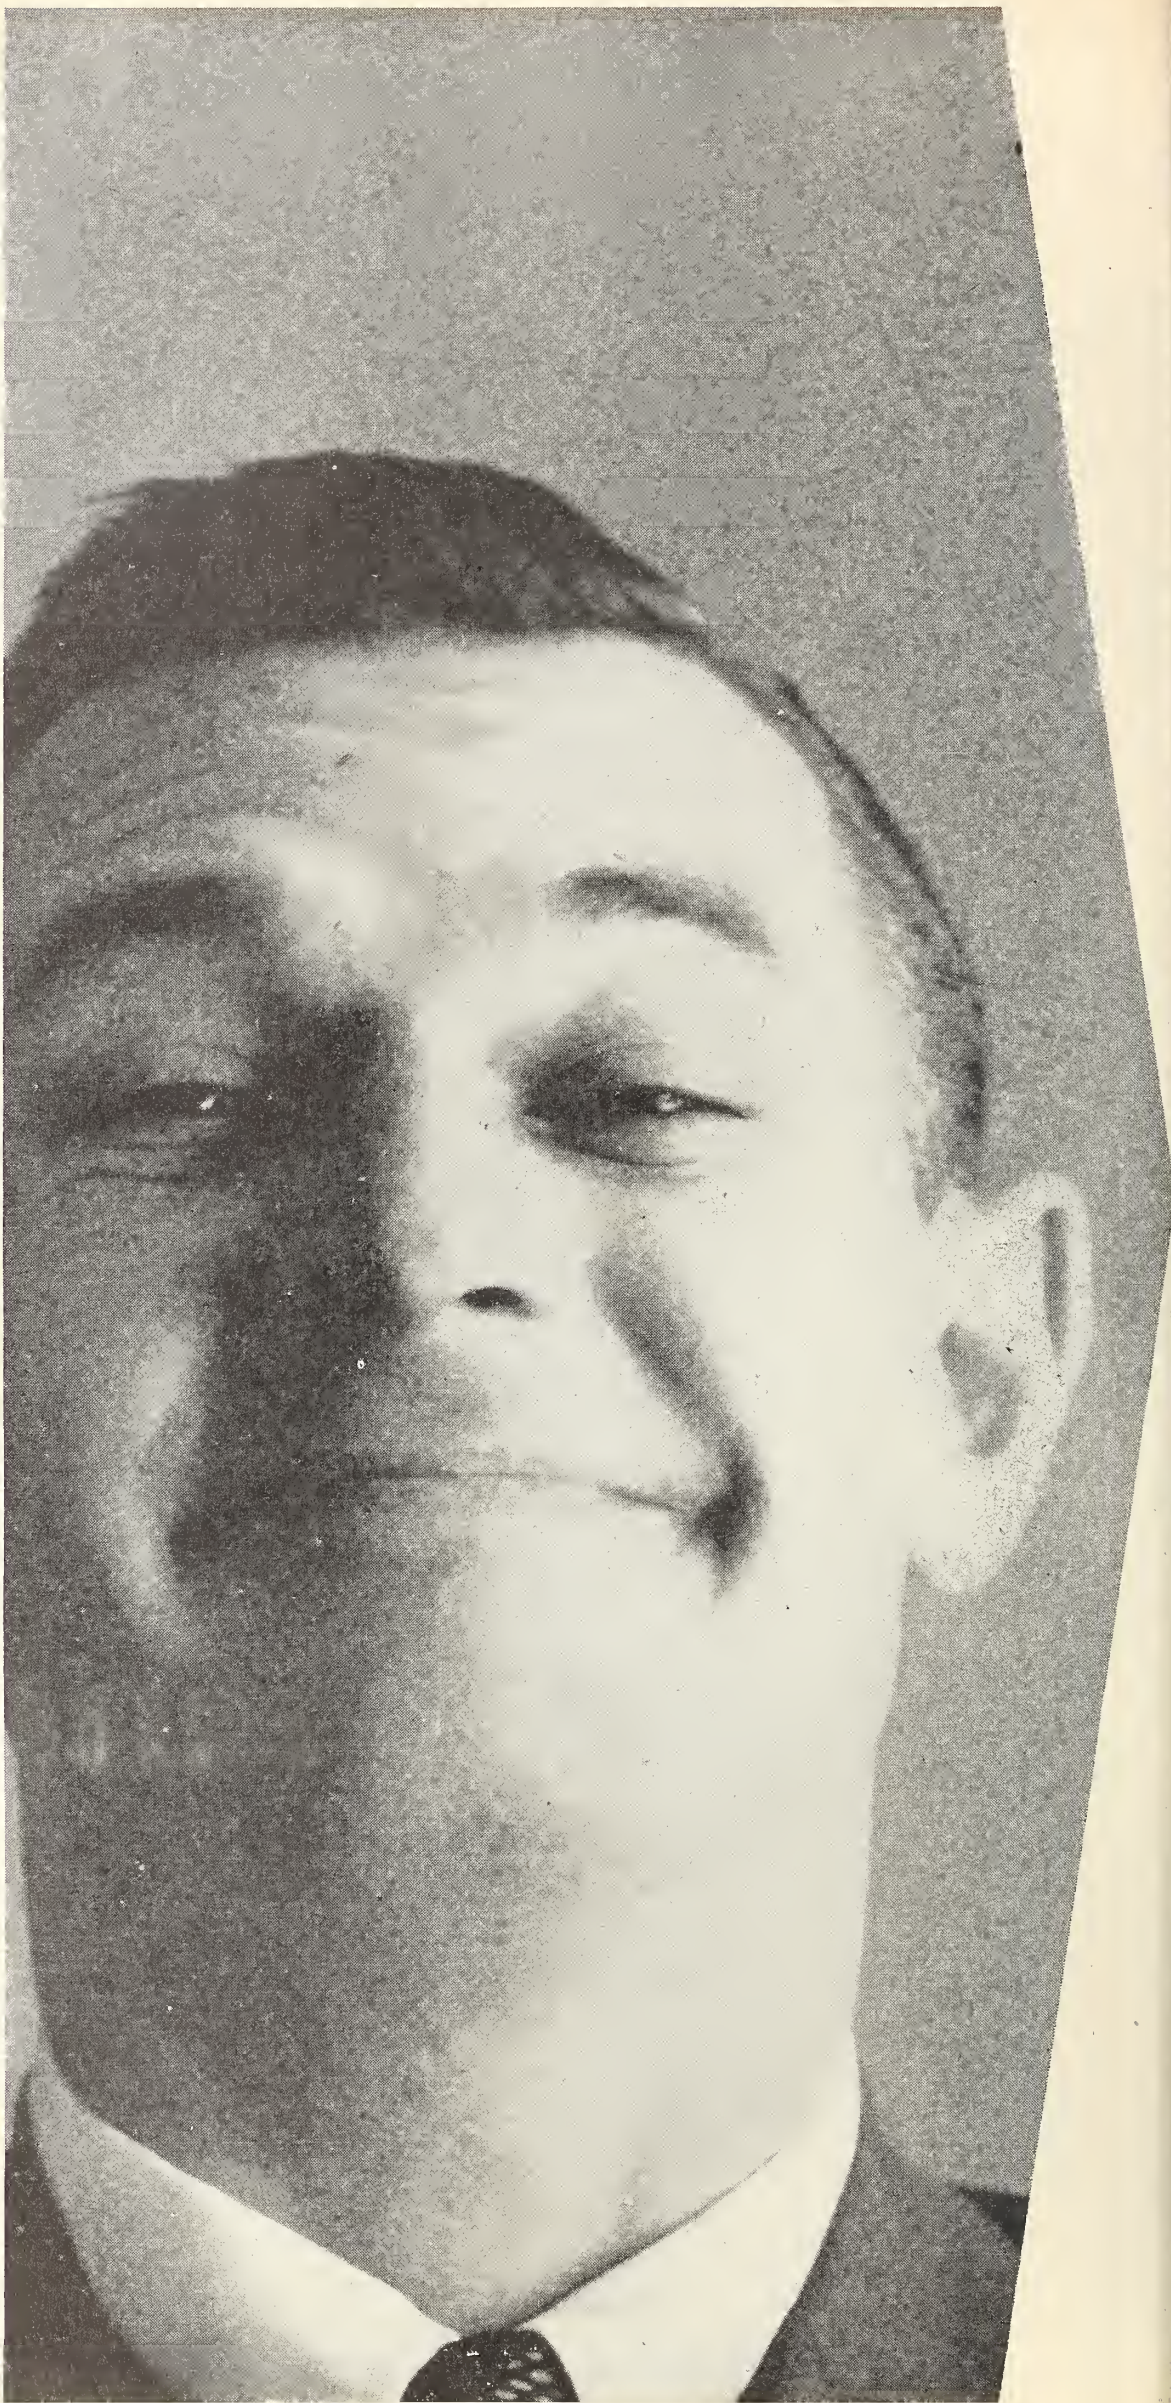

"The first is that new AMI juke boxes are in demand for top locations.

We're not sure whether it's their better sound or the fine design of the cabinets. Call it "class" if you want—but AMI juke boxes give the location owner what he wants in the way of appearance. Even the small stops today invest plenty in new furnishings and equipment. They want a box that goes with them, that seems to belong.

"Second, men on the route tell us no other juke box is so easy to service as the AMI. They get in and out quick—with no knuckle busting. Saves time and money. And I can tell you we have far less servicing of a serious nature with AMI equipment. It works better and it lasts longer. The records prove it.

"Third, we have some old AMI equipment, too, in smaller locations, but it just keeps on playing with a minimum of upkeep. With machines that stand up, there's profit to be made.

"I guess you'd say the reason we've replaced so much other equipment with AMI boxes is that we know that they consistently keep us ahead."
